

**IN THE UNITED STATES DISTRICT COURT FOR
THE EASTERN DISTRICT OF OKLAHOMA**

Kunneman Properties, LLC, *et al.*, on
behalf of themselves and all others
similarly situated,

Plaintiffs,

v.

Marathon Oil Company,

Defendant.

Case No. 22-CV-274-KEW

**CLASS REPRESENTATIVES’ MOTION FOR FINAL APPROVAL
OF CLASS ACTION SETTLEMENT & BRIEF IN SUPPORT**

Class Representatives Kunneman Properties LLC, DJM Family, LLC, and Royse Family, L.L.C. (collectively, “Class Representatives”) move the Court for final approval of the:

1. Proposed class action Settlement;
2. Notice of Settlement and Plan of Notice; and
3. Proposed Initial Plan of Allocation.

Class Representatives’ proposed Judgment is attached as **Exhibit 1**, and Class Representatives’ Proposed Initial Plan of Allocation Order is attached as **Exhibit 2**.¹ With no objections filed to date and with only *one* of the nearly 19,000 potential class members purporting to opt-out as of this filing, Class Representatives submit that the Settlement is fair, reasonable, and adequate and should be finally approved. **Ex. 3**, Declarations of Dale Kunneman and David Montgomery (“Class Rep. Decls.”).²

¹ The proposed judgment was attached as Exhibit 2 to the Settlement Agreement (“SA”), Doc. 12-1. Class Counsel will also submit native versions of the proposed orders to the Court in advance of the Final Fairness Hearing.

² Capitalized terms not otherwise defined shall have the meaning ascribed to them in the SA.

BACKGROUND

In the interest of brevity, Class Representatives will not recite the entire background of this lengthy Litigation. Rather, Class Representatives refer the Court to the Motion for Preliminary Approval (Doc. 12), the Joint Declaration of Class Counsel (“Joint Counsel Decl.”) (**Exhibit 4**), the pleadings on file, and any other matters of which the Court may take judicial notice, all of which are incorporated as if fully set out in this memorandum.

On November 2, 2022, the Court issued an order preliminarily approving the Settlement, approving the Plan of Notice, and setting a date of February 16, 2023, for the Final Fairness Hearing. Doc. 15 at 7–8 (“Preliminary Approval Order”). The Court also approved the Notices of Proposed Settlement of Class Action (“Class Notices”), for mailing and publication. *Id.* at 5–6. The Court ordered that Notice be given to the Class Members in accordance with the Plan of Notice as outlined in the Settlement Agreement and found that the Notices being provided “are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” *Id.* at 5, ¶ 8. Since preliminary approval, Notice was mailed, by first-class mail, as ordered by the Court, to 18,956 potential members of the Settlement Class between December 2, 2022, and the present. **Ex. 5**, Declaration of Jennifer Keough Regarding Notice of Settlement (“Keough Decl.”) ¶¶ 6–8. Notice was also published on the settlement website and, on December 9, 2022, in *The Oklahoman* and *The Tulsa World*, as directed in the Preliminary Approval Order. *Id.* ¶¶ 9–10.

The facts regarding certification haven’t changed since the Court entered the Preliminary Approval Order—class certification remains proper. A general plan of allocation was described in the Notice, along with the other material terms of the SA. *See Ex. 5*, Keough Decl. at Ex. A; SA, Doc. 12-1. Consistent with the Notice and the Plan of Allocation, the preliminary allocation shows the proposed distributions to each member of the Settlement Class and an amount of distribution. The Initial Plan of Allocation—prepared by Plaintiff’s

expert, Barbara Ley—assumes the Court approves the requests for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and the requests for Plaintiffs’ Attorneys’ Fees and Case Contribution Awards. The SA contemplates that Class Representatives will move the Court for a Distribution Order based upon a Final Plan of Allocation within sixty (60) days after the Effective Date, with the benefit of the Court’s ruling on those requests. *See* Doc. 12-1 at 23, ¶ 6.4.

Following mailing of the Notices and publication, Members of the Settlement Class had fifty-five (55) days to request exclusion or file an objection. Only one request for exclusion and zero objections have been received as of the time of this filing.³ *See* Ex. 5, Keough Decl. ¶¶ 14–17. The small number of opt-outs from and no objections to the Settlement thus far support the conclusion that the Settlement and Plan of Allocation are fair, adequate, reasonable, and in the best interests of the Settlement Class such that final approval should be granted.

ARGUMENT & AUTHORITY

The Court should grant final approval of the Settlement. The procedure for reviewing a proposed class action settlement is a well-established two-step process. First, the Court conducts a preliminary analysis to determine if the settlement should be preliminarily approved such that the class should be notified of the pendency of a proposed settlement. Manual for Complex Litigation § 21.632 (4th ed. 2004). Second, the class is notified and provided an opportunity to be heard at a fairness hearing before the settlement is finally approved. Alba Conte & Herbert B. Newberg, *Newberg on Class Actions* § 11.25, at 38 (4th ed. 2002). The Court already carried out this first step with its Preliminary Approval Order, and notice was effectuated pursuant to the terms of the SA and in the form and manner approved by the

³ Because this Motion is due before the exclusion and objection deadline (January 26, 2023), Class Representatives will submit a supplement detailing the requests for exclusion and objections, if any, received and indicate those that were properly submitted.

Court. *See* **Ex. 5**, Keough Decl. ¶¶ 6–13. As to the final step, courts in the Tenth Circuit consider four factors when deciding whether to finally approve a class action settlement:

- a. Whether the proposed settlement was fairly and honestly negotiated;
- b. Whether serious questions of law and fact exist, placing the ultimate outcome of the litigation in doubt;
- c. Whether the value of an immediate recovery outweighs the mere possibility of future relief after protracted and expensive litigation; and
- d. Whether, in the parties' judgment, the settlement is fair and reasonable.

See Rutter & Wilbanks Corp. v. Shell Oil Co., 314 F.3d 1180, 1188 (10th Cir. 2002); *Jones v. Nuclear Pharmacy, Inc.*, 741 F.2d 322, 324 (10th Cir. 1984); *see also* Fed. R. Civ. P. 23(e)(2). Each factor supports final approval of the Settlement here.

1. The Court Properly Certified the Settlement Class for Settlement Purposes and Should Confirm this Finding by Finally Certifying the Settlement Class Under Rule 23

Before addressing the four factors, the Court must find class certification remains appropriate for settlement purposes. The Court already certified the following Settlement Class:

All persons who own or owned minerals in the State of Oklahoma subject to an oil-and-gas lease from September 1, 2011, through and including March 31, 2022, under which (1) they received royalty on the sale and disposition of gas from Marathon from Oklahoma oil-and-gas wells; and (2) their royalty payments were reduced for production volumes or production proceeds expended for marketing, gathering, compressing, dehydrating, treating, processing, transporting and fractionating natural gas liquids, or transporting of hydrocarbons produced from the unit.

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) the State of Oklahoma or any of its agencies or departments that own royalty interests; (3) Defendant, its affiliates, predecessors, and employees, officers, and directors; (4) any publicly traded company or their affiliated entity that produces, gathers, processes, or markets gas; (5) overriding royalty owners and others whose interest was carved out from the lessee's interest; (6) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendant, including: Fortis Sooner Trend, LLC; Fortis Minerals II, LLC; FMII STM, LLC; Sooner Trend Minerals, LLC; Phenom Minerals, LLC; Christopher W. Didier; Kari J. Didier; August Grant Didier; Dixie

L. Didier Beth Ann Switzer; Kent L. Switzer; Gregory Vic Kirkpatrick; Milton Kent Kirkpatrick Revocable Trust; Emma Eugenia Kirkpatrick Family Trust; Jimmie Ice and Vicki Ice Trust; and Malcome Roy Oyler; and (7) royalty owners whose leases expressly authorize or expressly prohibit deductions under Oklahoma law.

Doc. 15 at 2–3, ¶ 3. Class certification remains proper under Rule 23(a) and (b)(3) for settlement purposes for the reasons set forth in the Preliminary Approval Motion (*see* Doc. 12). And Defendant consents to certification of the Settlement Class for the purpose of settlement.

The prerequisites for class certification under Rule 23(a) and (b)(3) are satisfied. First, Rule 23(a)(1)'s numerosity requirement is satisfied because the Settlement Class consists of nearly 19,000 owners, whose joinder would be impracticable. **Ex. 5**, Keough Decl. ¶ 4; *see also Trevizo v. Adams*, 455 F.3d 1155, 1161–62 (10th Cir. 2006). Second, Rule 23(a)(2)'s commonality requirement is met because “many questions of law and fact exist that could be answered uniformly for the Settlement Class using common evidence.” *Tyson Foods, Inc. v. Bouaphakeo*, 136 S. Ct. 1036, 1045 (2016); *see also Menocal v. GEO Grp., Inc.*, 882 F.3d 905, 914 (10th Cir. 2018) (“A finding of commonality requires only a single question of law or fact common to the entire class” (internal citations omitted)). Each of these common issues stems from a common body of law—the law of the State of Oklahoma on royalty payment obligations. The real property interests at issue are property located in the State of Oklahoma, and the payments at issue are governed by Oklahoma substantive law. Thus, any choice of law analysis would result in the application of Oklahoma law to the legal claims and, as such, there are no other states’ laws implicated by this action, nor any other choice of law issues that could affect the Court’s commonality analysis here. *See id.* Third, Rule 23(a)(3)'s typicality requirement is satisfied because Defendant treated all owners the same for purposes of royalty payments, the same legal theories and fact issues underlie each Class Member’s claims, and all Class Members suffered the same type of injury arising out of the same facts that can be proven by the same, common evidence. *DG ex rel. Stricklin v. Devaughn*, 594 F.3d 1188, 1198-99 (10th Cir. 2010). Finally, Rule 23(a)(4)'s adequacy of representation require-

ment is satisfied because there are no conflicts—minor or otherwise—between Class Representatives and the other Class Members. **Ex. 3**, Class Rep. Decls.; see *Tennille v. Western Union Co.*, 785 F.3d 422, 430 (10th Cir. 2015) (“Only a conflict that goes to the very subject matter of the litigation will defeat a party’s claim of representative status.”) (internal citation omitted). Class Representatives and Class Counsel have prosecuted the Litigation vigorously and Class Counsel is unquestionably qualified to represent the Class here. See **Ex. 4**, Joint Counsel Decl. ¶¶ 1–20.

Additionally, Rule 23(b)(3)’s predominance and superiority requirements are satisfied here. *Tyson Foods*, 136 S. Ct. at 1045; *Menocal*, 882 F.3d 905, 914–15 (“[T]he predominance prong asks whether the common, aggregation-enabling, issues in the case are more prevalent or important than the non-common, aggregation-defeating, individual issues” (citations omitted)); *In re Urethane Antitrust Litig.*, 768 F.3d 1245, 1255 (10th Cir. 2014); *CGC Holding Co., LLC v. Broad & Cassel*, 773 F.3d 1076, 1087 (10th Cir. 2014). The predominance requirement is met because the substantive claims are all common (Oklahoma law under Oklahoma choice-of-law principles) as are the aggregation-enabling issues of fact (chiefly, Defendant’s common course of royalty underpayments to Class Members). The common questions under the shared law predominate over and are more important than any potential individual issues that theoretically could arise in the Litigation. And the superiority requirement is satisfied because resolving the Litigation through the classwide Settlement is far superior to any other method for fairly and efficiently adjudicating these claims.

The Court properly certified the Settlement Class and, because Class Representatives have proven that each of the requirements for certification under Rule 23(a) and (b)(3) remain satisfied, this finding should be confirmed with the final certification of the Settlement Class under Rule 23.

2. The Court Should Grant Final Approval of the Settlement

The Court should finally approve the Settlement as fair and reasonable. The Court has broad discretion in deciding whether to grant approval of a class action settlement. *Jones*, 741 F.2d at 324. “As a general policy matter, federal courts favor settlement, especially in complex and large-scale disputes, so as to encourage compromise and conserve judicial and private resources.” *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. 436, 455 (S.D.N.Y. 2004); *see also In re Warfarin Sodium Antitrust Litig.*, 391 F.3d 516, 535 (3d Cir. 2004) (“[T]here is an overriding public interest in settling class action litigation, and it should therefore be encouraged.”). As demonstrated below, each of the four factors identified by the Tenth Circuit weighs in favor of final approval.

A. The Settlement is the product of extensive arm’s-length negotiations between experienced counsel

The fact that the Settlement was fairly and honestly negotiated by qualified, experienced counsel supports final approval. *See Reed v. GM Corp.*, 703 F.2d 170, 175 (5th Cir. 1983) (“[T]he value of the assessment of able counsel negotiating at arm’s length cannot be gainsaid.”). The fairness of the negotiation process is to be examined with reference to the experience of counsel, the vigor with which the case was prosecuted, and any coercion or collusion that may have affected the negotiations.

Here, the Settlement is the product of extensive arm’s-length negotiations between the Parties’ experienced counsel at mediations presided over by Robert G. Gum and ultimately at a settlement conference among counsel. *See Ex. 4*, Joint Counsel Decl. ¶¶ 18–19 The use of a formal settlement process supports the conclusion that the Settlement was fairly and honestly negotiated. *See Ashley v. Reg’l Transp. Dist.*, No. 05-CV-01567-WYD-BNB, 2008 WL 384579, at *6 (D. Colo. Feb. 11, 2008) (finding settlement fairly and honestly negotiated where the parties engaged in formal settlement mediation conference and negotiations over four months). And the assistance of an experienced mediator “in the settlement negotiations strongly supports a finding that they were conducted at arm’s-length and without collusion.”

In re Telik, Inc. Sec. Litig., 576 F. Supp. 2d 570, 576 (S.D.N.Y. 2008). Here the parties engaged an experienced mediator whose repeated involvement moved them closer to settlement.

Additionally, Class Counsel has unique experience with oil-and-gas royalty underpayment and late payment class actions. Bradford & Wilson PLLC and Sharp Law LLP regularly represents plaintiffs in oil-and-gas class actions, as well as other complex commercial and consumer class action litigation, and have obtained settlements in numerous underpayment or late payment class actions in Oklahoma state and federal courts.⁴ Class Counsel are experienced and qualified counsel and represented the Settlement Class honestly and fairly during settlement negotiations. *See Ex. 4*, Joint Counsel Decl. ¶¶ 1–20.

Class Counsel's experience positioned them well to comprehensively examine the massive amount of information and data produced in the Litigation, enabling the Parties to make informed decisions about the strengths and weaknesses of their respective cases. *See, e.g., Id.* ¶¶ 5–12; *Childs v. Unified Life Ins. Co.*, No. 10-CV-23-PJC, 2011 WL 6016486, at *12 (N.D. Okla. Dec. 2, 2011). Further, Class Representatives were involved in the negotiations and believe the settlement process resulted in an excellent recovery for the Settlement Class. *See Ex. 3*, Class Rep. Decl. Class Representatives expended time and resources prosecuting the Litigation, including communicating regularly with Class Counsel, sitting for depositions,

⁴ *Cecil v. BP Am. Prod. Co.*, No. 16-CV-410-KEW (E.D. Okla.); *Harris v. Chevron U.S.A., Inc.*, No. 19-CV-355-SPS (E.D. Okla.); *McNeill v. Citation Oil & Gas Corp.*, No. 17-CIV-121-RAW (E.D. Okla.); *Bollenbach v. Okla. Energy Acquisitions LP*, No. 17-CV-134-HE (W.D. Okla.); *McKnight Realty Co. v. Bravo Arkoma*, No. 17-CV-308-KEW (E.D. Okla.); *Speed v. JMA Energy Co., LLC*, No. CJ-2016-59 (Okla. Dist. Ct. Hughes Cty.); *Henry Price Tr. v. Plains Mktg.*, No. 19-cv-390-KEW (E.D. Okla.); *Hay Creek Royalties, LLC v. Roan Res. LLC*, No. 19-CV-177-CVE-JFJ (N.D. Okla.); *Johnston v. Camino Nat. Res., LLC*, No. 19-CV-2742-CMA-SKC (D. Colo.); *Swafford v. Ovintiv Inc., et al.*, No. 21-CV-210-SPS (E.D. Okla.); *Pauper Petroleum, LLC v. Kaiser-Francis Oil Co.*, No. 19-CV-514-JFH-JFJ (N.D. Okla.); *Joanne Harris Deitrich Tr. A v. Enerfin Res. I Ltd. P'ship, et al.*, No. 20-CV-1199-F (E.D. Okla.); *Hay Creek Royalties, LLC v. Mewbourne Oil Co.*, No. 20-CV-084-KEW (W.D. Okla.); *Rounds, et al. v. FourPoint Energy, LLC*, No. 20-CV-52-P (W.D. Okla.); *McKnight Realty Co. v. Bravo Arkoma, LLC*, No. 20-CV-428-KEW (E.D. Okla.); *Wake Energy, LLC v. EOG Res., Inc.*, No. 20-CV-183-ABJ (D. Wyo.).

producing scores of documents, and participating in the negotiations that led to the Settlement. *Id.* The Parties and their lawyers were well prepared for the serious and intelligent negotiations that ultimately led to the Settlement.

These facts demonstrate the Settlement resulted from serious, informed, and non-colusive negotiations between skilled and dedicated attorneys. The first factor supports final approval.

B. Serious questions of law and fact exist, placing the ultimate outcome in doubt

The existence of serious questions of law and fact place the ultimate outcome of this Litigation in doubt, and such doubt “tips the balance in favor of settlement because settlement creates a certainty of some recovery and eliminates doubt, meaning the possibility of no recovery after long and expensive litigation.” *McNeely v. Nat’l Mobile Health Care, LLC*, No. 07-CV-933-M, 2008 WL 4816510, at *13 (W.D. Okla. Oct. 27, 2008) (internal citations omitted).

There are numerous factual and legal issues about which the Parties disagree—issues that would ultimately be decided by a court or a jury. Despite Class Representatives’ optimism regarding their chances at class certification and trial, the Parties vehemently disagree on numerous factual and legal issues, and Defendant denies any wrongdoing giving rise to liability for royalty underpayment. Settlement renders the resolution of these issues unnecessary and provides a guaranteed recovery in the face of uncertainty. Because this Litigation presents serious issues of law and fact that place the ultimate outcome in doubt, the second factor supports final approval of the Settlement.

C. The value of immediate recovery outweighs the mere possibility of future relief after long and expensive litigation

The complexity, uncertainty, expense, and likely duration of further litigation and appeals also support approval of the proposed Settlement. The immediate value of the \$35,000,000.00 cash recovery alone outweighs the uncertainty, additional expense, and likely duration of further litigation. The Settlement Class is “better off receiving compensation now

as opposed to being compensated, if at all, several years down the line, after the matter is certified, tried, and all appeals are exhausted.” See *McNeely*, 2008 WL 4816510, at *13. The Settlement represents a meaningful recovery for the Settlement Class without the risk or additional expense of further litigation. These immediate benefits must be compared to the risk that the Settlement Class may recover nothing after class certification, summary judgment, trial, and likely appeals, possibly years into the future. See *In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d 1249, 1261 (D. Kan. 2006). Furthermore, the Settlement also provides the Future Benefits and Methodology to the Settlement Class, which are estimated to have a value of at least \$25,000,000 for post-production deductions Defendant has agreed to forgo, for a Gross Settlement Value of \$60,000,000. See **Ex. 6**, Ley Decl. at 3, ¶ 7.

While Class Counsel is confident in their ability to prove the claims asserted, they also recognize liability is far from certain and many potential obstacles to obtaining a final, favorable verdict exist. Even if Class Representatives were able to establish liability at trial, Defendant would have vigorously argued the Settlement Class damages are far less than the Settlement and raised a number of defenses to further whittle down the damages. Through the Settlement, the Settlement Class is guaranteed a cash payment without the attendant risks of further litigation.

Class Counsel is intimately familiar with the risks of proceeding with the Litigation because they have extensive experience prosecuting oil-and-gas class actions. See **Ex. 4**, Joint Counsel Decl. ¶¶ 2–3. Class Counsel believes the value of the Settlement outweighs the risks of proceeding further with the Litigation. *Id.* ¶ 46. When the risks and uncertainties of continuing the Litigation are compared to the immediate benefits of the Settlement, it is clear the Settlement is fair, reasonable, and in the best interests of the Settlement Class. The third factor supports final approval of the Settlement.

D. The Parties agree the Settlement is fair and reasonable

The fact that Class Representatives and Defendant believe the Settlement is fair and reasonable supports final approval. Class Counsel and Class Representatives only agreed to

settle the Litigation after considering the substantial benefits the Settlement Class will receive, the risks and uncertainties of continued litigation, and the desirability of proceeding under the terms of the Settlement Agreement.

Class Counsel's judgment as to the fairness of the Settlement also supports final approval. "Counsel's judgment as to the fairness of the [settlement] agreement is entitled to considerable weight." *Childs*, 2011 WL 6016486, at *14 (citation omitted). Class Counsel believes the terms and conditions of the Settlement are fair, reasonable, and adequate to the Settlement Class, and the Settlement is in the Settlement Class Members' best interests. *See Ex. 4*, Joint Counsel Decl. ¶ 22. This last factor fully supports the Court's final approval of the Settlement. Indeed, all four factors considered by courts in the Tenth Circuit support final approval of the Settlement.

3. The Notice Method Used was the Best Practicable Under the Circumstances and Should be Approved

The Court should approve the Notice given to the Settlement Class. Rule 23(c)(2)(B) requires that notice of a settlement be "the best notice practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort." Fed. R. Civ. P. 23(c)(2)(B). Also, Rule 23(e)(1) instructs courts to "direct notice in a reasonable manner to all class members who would be bound by the proposal." Fed. R. Civ. P. 23(e)(1). In terms of due process, a settlement notice need only be "reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections." *Fager v. CenturyLink Comm'ns, LLC*, 854 F.3d 1167, 1171 (10th Cir. 2016) (citing *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 314 (1950)). "The Supreme Court has consistently endorsed notice by first-class mail", holding "a fully descriptive notice . . . sent first-class mail to each class member, with an explanation of the right to 'opt out,' satisfies due process." *Id.* at 1173. Here, the Notice

campaign carried out by Class Counsel and the Settlement Administrator is substantially comparable to and perhaps exceeds the highly successful notice campaigns completed in other oil-and-gas class actions approved by district courts in Oklahoma, including this Court.

In its Preliminary Approval Order, the Court preliminarily approved the form and manner of the Notice disseminated by the Settlement Administrator, finding the Notices “are the best notice practicable under the circumstances, constitute due and sufficient notice to all persons and entities entitled to receive such notice, and fully satisfy the requirements of applicable laws, including due process and Federal Rule of Civil Procedure 23.” Doc. 15 at 5, ¶ 8. The Court directed dissemination of the Notices in accordance with the Settlement Agreement and the Preliminary Approval Order. *Id.*

The Notice was mailed to nearly 19,000 potential Class Members and further diligence was conducted to ascertain proper mailing addresses. Ex. 5, Keough Decl. ¶¶ 4–9. In addition, the Court-approved Notice was published on December 9, 2022, in two newspapers of local circulation, *The Oklahoman* and *The Tulsa World*, as directed in the Preliminary Approval Order. *Id.* ¶ 9. The Notice materially informed Class Members about the Litigation, the Settlement, and the facts needed to make informed decisions about their rights. Also, the Notice, along with other documents germane to the Settlement, were posted on the website created for and dedicated to this Litigation, www.kunneman-marathon.com, beginning on December 2, 2022. *Id.* ¶¶ 10–11. This website is maintained by the Settlement Administrator, where additional information regarding the Settlement can be found. *Id.*

In sum, the form, manner, and content of the Notice campaign were the best practicable notice, and their contents were reasonably calculated to, and did, apprise Class Members of the pendency and nature of the Settlement and afford them an opportunity to opt out or object. Therefore, the Court should grant final approval of the Notice given to the Settlement Class here.

4. The Initial Plan of Allocation Should Be Approved

The Court should also approve the proposed Initial Plan of Allocation, which is attached as Exhibit 3 to the Ley Declaration (**Ex. 6**). Like the Settlement itself, a plan of allocation must also be approved as fair and reasonable. *See In re Sprint Corp. ERISA Litig.*, 443 F. Supp. 2d at 1262 (citing *In re Global Crossing Sec. & ERISA Litig.*, 225 F.R.D. at 462). Where, as here, a plan of allocation is formulated by competent and experienced class counsel, the plan need only have a reasonable, rational basis. *Id.* As a general rule, a plan of allocation that reimburses class members based on the type and extent of their injuries is reasonable. *Id.*; *see also, e.g.*, Initial Plan of Allocation Order (Doc. 233), *Chieftain Royalty Company v. XTO Energy, Inc.*, No. 11-CV-00029-KEW (E.D. Okla. Mar. 27, 2018).

Class Counsel, together with Plaintiff's expert, have formulated the Initial Plan of Allocation by which Class Members will be reimbursed proportionately relative to the extent of their injuries. Importantly, this is not a claims-made settlement, nor is it a settlement where a Class Member must take further action to participate. Instead, every Class Member who did not effectively opt out of the Settlement will receive a check for their allocation of the Net Settlement Amount, subject to a *de minimis* threshold of \$5.

Specifically, the Net Settlement Amount will be allocated to individual Class Members based primarily on the extent of post-production deductions reflected in Defendant's payment detail for the Claim Period. Pursuant to the SA, the Initial Plan of Allocation further assumes a reduction for Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and potential Case Contribution Awards, which amounts will ultimately be determined by the Court at the Final Fairness Hearing.

Class Representatives and Class Counsel, with the aid of the Settlement Administrator, will allocate the Net Settlement Amount proportionately among all Class Members. A Distribution Check for each Class Member's allocation of the Net Settlement Amount will then be mailed to each respective Class Member's last known mailing address, using the payment history data produced. Returned or stale-dated Distribution Checks shall be reissued as

necessary to effectuate delivery to the appropriate Class Members using commercially reasonable methods.

Because the proposed Initial Plan of Allocation was formulated by competent and experienced Counsel and is based on the type and extent of each Class Member's particular loss, the Court should approve it as fair, reasonable, and adequate.

CONCLUSION

Class Representatives and Class Counsel respectfully request that the Court enter the proposed Judgment, attached as **Exhibit 1**.⁵ The proposed Judgment grants: (1) final certification of the Settlement Class; (2) final approval of the Settlement as fair, reasonable, and adequate, and in the best interests of the Settlement Class; and (3) final approval of the Notice to Class Members. Class Representatives and Class Counsel also respectfully request that the Court enter the proposed Initial Plan of Allocation Order, attached as **Exhibit 2**, to govern the allocation and distribution of the Net Settlement Amount to Class Members.

Respectfully Submitted,

**IN THE UNITED STATES DISTRICT COURT FOR THE
EASTERN DISTRICT OF OKLAHOMA**

Kunneman Properties LLC, et al., on behalf
of themselves and all others similarly situ-
ated,

Plaintiffs,

v.

Marathon Oil Company,

Defendant.

Case No. 22-CV-274-KEW

JUDGMENT

This is a class action lawsuit brought by Plaintiffs Kunneman Properties LLC, DJM Family, LLC, and Royse Family, L.L.C., on behalf of themselves and as representatives of a class of owners (defined below), against Marathon Oil Company (“Defendant”), for the alleged underpayment of royalty on gas and gas constituents from Oklahoma oil-and-gas wells during the Claim Period. On September 9, 2022, the Parties executed a Stipulation and Agreement of Settlement (the “Settlement Agreement”) finalizing the terms of the Settlement.¹

On November 2, 2022, the Court preliminarily approved the Settlement and issued an Order Granting Preliminary Approval of Class Action Settlement, Certifying the Class for Settlement Purposes, Approving Form and Manner of Notice, and Setting Date for Final Fairness Hearing (the “Preliminary Approval Order”). In the Preliminary Approval Order, the Court, *inter alia*:

¹ Capitalized terms not otherwise defined in this Order shall have the meaning ascribed to them in the Settlement Agreement.

- a. certified the Settlement Class for settlement purposes, finding all requirements of Federal Rule of Civil Procedure 23 have been satisfied with respect to the proposed Settlement Class;
- b. appointed Plaintiffs Kunneman Properties LLC, DJM Family, LLC, and Royse Family, L.L.C., as Class Representatives, and Reagan E. Bradford, Ryan K. Wilson, and Rex A. Sharp as Co-Lead Class Counsel;
- c. preliminarily found: (i) the proposed Settlement resulted from extensive arm's-length negotiations; (ii) the proposed Settlement was agreed to only after Class Counsel had conducted legal research and discovery regarding the strengths and weaknesses of Class Representatives' and the Settlement Class's claims; (iii) Class Representatives and Class Counsel have concluded that the proposed Settlement is fair, reasonable, and adequate; and (iv) the proposed Settlement is sufficiently fair, reasonable, and adequate to warrant sending notice of the proposed Settlement to the Settlement Class;
- d. preliminarily approved the Settlement as fair, reasonable, and adequate and in the best interest of the Settlement Class;
- e. preliminarily approved the form and manner of the proposed Notices to be communicated to the Settlement Class, finding specifically that such Notices, among other information: (i) described the terms and effect of the Settlement; (ii) notified the Settlement Class that Plaintiffs' Counsel will seek Plaintiffs' Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and Case Contribution Awards for Class Representatives' services; (iii) notified the Settlement Class of the time and place of the Final Fairness Hearing; (iv)

- described the procedure for requesting exclusion from the Settlement; and (v) described the procedure for objecting to the Settlement or any part thereof;
- f. instructed the Settlement Administrator to disseminate the approved Notices to potential members of the Settlement Class in accordance with the Settlement Agreement and in the manner approved by the Court;
 - g. provided for the appointment of a Settlement Administrator;
 - h. provided for the appointment of an Escrow Agent;
 - i. set the date and time for the Final Fairness Hearing as February 16, 2023, at 10:00 A.M. in the United States District Court for the Eastern District of Oklahoma; and
 - j. set out the procedures and deadlines by which Class Members could properly request exclusion from the Settlement Class or object to the Settlement or any part thereof.

After the Court issued the Preliminary Approval Order, due and adequate notice by means of the Notices was given to the Settlement Class, notifying them of the Settlement and the upcoming Final Fairness Hearing. On February 16, 2023, in accordance with the Preliminary Approval Order and the Notices, the Court conducted a Final Fairness Hearing to, *inter alia*:

- a. determine whether the Settlement should be approved by the Court as fair, reasonable, and adequate and in the best interests of the Settlement Class;
- b. determine whether the notice method utilized by the Settlement Administrator: (i) constituted the best practicable notice under the circumstances; (ii) constituted notice reasonably calculated under the circumstances to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (iii) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled

to such notice; and (iv) meets all applicable requirements of the Federal Rules of Civil Procedure and any other applicable law;

c. determine whether to approve the Allocation Methodology, the Initial Plan of Allocation, and distribution of the Net Settlement Fund to Class Members who did not timely submit a valid Request for Exclusion or were not otherwise excluded from the Settlement Class by order of the Court;²

d. determine whether a Judgment should be entered pursuant to the Settlement Agreement, *inter alia*, dismissing the Released Claims against Defendant with prejudice and extinguishing, releasing, and barring all Released Claims against all Released Parties in accordance with the Settlement Agreement;

e. determine whether the applications for Plaintiffs' Attorneys' Fees, reimbursement for Litigation Expenses and Administration, Notice, and Distribution Costs, and Case Contribution Awards to Class Representatives are fair and reasonable and should be approved;³ and

f. rule on such other matters as the Court deems appropriate.

The Court, having reviewed the Settlement, the Settlement Agreement, and all related pleadings and filings, and having heard the evidence and argument presented at the Final Fairness Hearing, now **FINDS, ORDERS, and ADJUDGES** as follows:

1. The Court, for purposes of this Final Judgment (the "Judgment"), adopts all defined terms as set forth in the Settlement Agreement and incorporates them as if fully set forth herein.

² The Court will issue a separate order pertaining to the allocation and distribution of the Net Settlement Proceeds among Class Members (the "Initial Plan of Allocation Order").

³ The Court will issue a separate order pertaining to Plaintiffs' Counsel's request for Plaintiffs' Attorneys' Fees, reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs, and Class Representatives' request for Case Contribution Awards.

2. The Court has jurisdiction over the subject matter of this Litigation and all matters relating to the Settlement, as well as personal jurisdiction over Defendant and Class Members.

3. The Settlement Class, which was certified in the Court's Preliminary Approval Order, is defined as follows:

All persons who own or owned minerals in the State of Oklahoma subject to an oil-and-gas lease from September 1, 2011, through and including March 31, 2022, under which (1) they received royalty on the sale and disposition of gas from Marathon from Oklahoma oil-and-gas wells; and (2) their royalty payments were reduced for production volumes or production proceeds expended for marketing, gathering, compressing, dehydrating, treating, processing, transporting and fractionating natural gas liquids, or transporting of hydrocarbons produced from the unit.

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) the State of Oklahoma or any of its agencies or departments that own royalty interests; (3) Defendant, its affiliates, predecessors, and employees, officers, and directors; (4) any publicly traded company or their affiliated entity that produces, gathers, processes, or markets gas; (5) overriding royalty owners and others whose interest was carved out from the lessee's interest; (6) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendant, including: Fortis Sooner Trend, LLC; Fortis Minerals II, LLC; FMII STM, LLC; Sooner Trend Minerals, LLC; Phenom Minerals, LLC; Christopher W. Didier; Kari J. Didier; August Grant Didier; Dixie L. Didier Beth Ann Switzer; Kent L. Switzer; Gregory Vic Kirkpatrick; Milton Kent Kirkpatrick Revocable Trust; Emma Eugenia Kirkpatrick Family Trust; Jimmie Ice and Vicki Ice Trust; and Malcome Roy Oyler; and (7) royalty owners whose leases expressly authorize or expressly prohibit deductions under Oklahoma law.

4. For substantially the same reasons as set out in the Court's Preliminary Approval Order, (Doc. 15), the Court finds that the above-defined Settlement Class should be and is hereby certified for the purposes of entering judgment pursuant to the Settlement Agreement. Specifically,

the Court finds that all requirements of Rule 23(a) and Rule 23(b)(3) have been satisfied for settlement purposes. Because this case has been settled at this stage of the proceedings, the Court does not reach, and makes no ruling either way, as to the issue of whether the Settlement Class could have been certified in this case on a contested basis.

5. The Court finds that the persons and entities identified in the attached **Exhibit 1** have submitted timely and valid Requests for Exclusion and are hereby excluded from the foregoing Settlement Class, will not participate in or be bound by the Settlement, or any part thereof, as set forth in the Settlement Agreement, and will not be bound by or subject to the releases provided for in this Judgment and the Settlement Agreement.

6. At the Final Fairness Hearing on February 16, 2023, the Court fulfilled its duties to independently evaluate the fairness, reasonableness, and adequacy of, *inter alia*, the Settlement and the Notice of Settlement provided to the Settlement Class, considering not only the pleadings and arguments of Class Representatives and Defendant and their respective Counsel, but also the concerns of any objectors and the interests of all absent Class Members. In so doing, the Court considered arguments that could reasonably be made against, *inter alia*, approving the Settlement and the Notice of Settlement, even if such argument was not actually presented to the Court by pleading or oral argument.

7. The Court further finds that due and proper notice, by means of the Notices, was given to the Settlement Class in conformity with the Settlement Agreement and Preliminary Approval Order. The form, content, and method of communicating the Notices disseminated to the Settlement Class and published pursuant to the Settlement Agreement and the Preliminary Approval Order: (a) constituted the best practicable notice under the circumstances; (b) constituted notice reasonably calculated, under the circumstances, to apprise Class Members of the pendency of the Litigation, the Settlement, their right to exclude themselves from the Settlement, their right

to object to the Settlement or any part thereof, and their right to appear at the Final Fairness Hearing; (c) was reasonable and constituted due, adequate, and sufficient notice to all persons and entities entitled to such notice; and (d) met all applicable requirements of the Federal Rules of Civil Procedure, the Due Process Clause of the United States Constitution, the Due Process protections of the State of Oklahoma, and any other applicable law. Therefore, the Court approves the form, manner, and content of the Notices used by the Parties. The Court further finds that all Class Members have been afforded a reasonable opportunity to request exclusion from the Settlement Class or object to the Settlement.

8. Pursuant to and in accordance with Federal Rule of Civil Procedure 23, the Settlement, including, without limitation, the consideration paid by Defendant, the Future Benefits and Methodology, the covenants not to sue, the releases, and the dismissal with prejudice of the Released Claims against the Released Parties as set forth in the Settlement Agreement, is finally approved as fair, reasonable and adequate and in the best interests of the Settlement Class. The Settlement Agreement was entered into between the Parties at arm's-length and in good faith after substantial negotiations free of collusion. The Settlement fairly reflects the complexity of the Claims, the duration of the Litigation, the extent of discovery, and the balance between the benefits the Settlement provides to the Settlement Class and the risk, cost, and uncertainty associated with further litigation and trial. Serious questions of law and fact remain contested between the parties. The Settlement provides a means of gaining immediate valuable and reasonable compensation and forecloses the prospect of uncertain results after many more months or years of additional discovery and litigation. The considered judgment of the Parties, aided by experienced legal counsel, supports the Settlement.

9. By agreeing to settle the Litigation, Defendant does not admit, and instead specifically denies, that the Litigation could have otherwise been properly maintained as a contested class

action, and specifically denies any and all wrongdoing and liability to the Settlement Class, Class Representatives, and Class Counsel.

10. The Court finds that on October 14, 2022, Defendant caused notice of the Settlement to be served on the appropriate state official for each state in which a Class Member resides, and the appropriate federal official, as required by and in conformance with the form and content requirements of 28 U.S.C. § 1715. In connection therewith, the Court has determined that, under 28 U.S.C. § 1715, the appropriate state official for each state in which a Class Member resides was and is the State Attorney General for each such state, and the appropriate federal official was and is the Attorney General of the United States. Further, the Court finds it was not feasible for Defendant to include on each such notice the names of each of the Class Members who reside in each state and the estimated proportionate share of each such Class Members to the entire Settlement as provided in 28 U.S.C. § 1715(b)(7)(A); therefore, each notice included a reasonable estimate of the number of Class Members residing in each state and the value of the Gross Settlement Fund. No appropriate state or federal official has entered an appearance or filed an objection to the entry of final approval of the Settlement. Thus, the Court finds that all requirements of 28 U.S.C. § 1715 have been met and complied with and, as a consequence, no Class Member may refuse to comply with or choose not to be bound by the Settlement and this Court's Orders in furtherance thereof, including this Judgment, under the provisions of 28 U.S.C. § 1715.

11. The Litigation and Released Claims are dismissed with prejudice as to the Released Parties. All Class Members who have not validly and timely submitted a Request for Exclusion to the Settlement Administrator as directed in the Notice of Settlement and Preliminary Approval Order (a) are hereby deemed to have finally, fully, and forever conclusively released, relinquished, and discharged all of the Released Claims against the Released Parties and (b) are barred and permanently enjoined from, directly or indirectly, on any Class Member's behalf or through others,

suing, instigating, instituting, or asserting against the Released Parties any claims or actions on or concerning the Released Claims. No Party will bear the other Party's litigation costs, costs of court, or attorney's fees.

12. The Court also approves the efforts and activities of the Settlement Administrator and the Escrow Agent in assisting with certain aspects of the administration of the Settlement, and directs them to continue to assist Class Representatives in completing the administration and distribution of the Settlement in accordance with the Settlement Agreement, this Judgment, any Plan of Allocation approved by the Court, and the Court's other orders.

13. Nothing in this Judgment shall bar any action or claim by Class Representatives, Class Members, or Defendant to enforce or effectuate the terms of the Settlement Agreement or this Judgment.

14. The Settlement Administrator is directed to refund to Defendant the portions of the Net Settlement Fund attributable to Class Members who timely and properly submitted a Request for Exclusion or who were otherwise excluded from the Settlement Class by order of the Court in accordance with the terms and process detailed in the Settlement Agreement.

15. Entering into or carrying out the Settlement Agreement, and any negotiations or proceedings related thereto, and the Settlement Agreement itself, are not, and shall not be construed as, or deemed to be evidence of, an admission or concession by any of the Parties to the Settlement Agreement. Further, this Final Judgment shall not give rise to any collateral estoppel effect as to the certifiability of any class in any other proceeding.

16. As separately set forth in detail in the Court's Initial Plan of Allocation Order, the Allocation Methodology, any other Plan of Allocation, and distribution of the Net Settlement Fund among Class Members who were not excluded from the Settlement Class by timely submitting a

valid Request for Exclusion or other order of the Court, are approved as fair, reasonable and adequate, and Class Counsel and the Settlement Administrator are directed to administer the Settlement in accordance with the Plan of Allocation Order(s) entered by the Court.

17. The Court finds that Class Representatives, Defendant, and their Counsel have complied with the requirements of the Federal Rules of Civil Procedure as to all proceedings and filings in this Litigation. The Court further finds that Class Representatives and Class Counsel adequately represented the Settlement Class in entering into and implementing the Settlement.

18. Neither Defendant nor Defendant's Counsel shall have any liability or responsibility to Plaintiffs, Plaintiffs' Counsel, or the Settlement Class with respect to the Gross Settlement Fund or its administration, including but not limiting to any distributions made by the Escrow Agent or Settlement Administrator. Except as described in paragraph 6.19 of the Settlement Agreement, no Class Member shall have any claim against Plaintiffs, Plaintiffs' Counsel, the Settlement Administrator, the Escrow Agent, or any of their respective designees or agents based on the distributions made substantially in accordance with the Settlement Agreement, the Court's Plan of Allocation Order(s), or other orders of the Court.

19. Any Class Member who receives a Distribution Check that he/she/it is not legally entitled to receive is hereby ordered to either (a) pay the appropriate portion(s) of the Distribution Check to the person(s) legally entitled to receive such portion(s) or (b) return the Distribution Check uncashed to the Settlement Administrator.

20. All matters regarding the administration of the Escrow Account and the taxation of funds in the Escrow Account or distributed from the Escrow Account shall be handled in accordance with the Settlement Agreement.

21. Any order approving or modifying any Plan of Allocation Order, the application by Class Counsel for an award of Plaintiffs' Attorneys' Fees or reimbursement of Litigation Expenses

and Administration, Notice, and Distribution Costs, or the request of Class Representatives for Case Contribution Awards shall be handled in accordance with the Settlement Agreement and the documents referenced therein.

22. Plaintiffs' Counsel, Plaintiffs, Defendant, Defendant's Counsel, and the Settlement Class will only be liable for loss of any portion of the Escrow Account as described in paragraph 6.19 of the Settlement Agreement.

23. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, and to enforce the Judgment.

24. In the event the Settlement is terminated as the result of a successful appeal of this Judgment or does not become Final and Non-Appealable in accordance with the terms of the Settlement Agreement for any reason whatsoever, then this Judgment and all orders previously entered in connection with the Settlement shall be rendered null and void and shall be vacated. The provisions of the Settlement Agreement relating to termination of the Settlement Agreement shall be complied with, including the refund of amounts in the Escrow Account to Defendant.

25. Without affecting the finality of this Judgment in any way, the Court (along with any appellate court with power to review the Court's orders and rulings in the Litigation) reserves exclusive and continuing jurisdiction to enter any orders as necessary to administer the Settlement Agreement, including jurisdiction to determine any issues relating to the payment and distribution of the Net Settlement Fund, to issue additional orders pertaining to, *inter alia*, Class Counsel's request for Plaintiffs' Attorneys' Fees and reimbursement of reasonable Litigation Expenses and

Administration, Notice, and Distribution Costs, and Class Representatives' request for Case Contribution Awards, and to enforce this Final Judgment. Notwithstanding the Court's jurisdiction to issue additional orders in this Litigation, this Judgment fully disposes of the Released Claims as to Defendant and is therefore a final appealable judgment. The Court further hereby expressly directs the Clerk of the Court to file this Judgment as a final order and final judgment in this Litigation.

26. [IF OBJECTION(S) ARE MADE – ADDITIONAL LANGUAGE TO BE DETERMINED BASED ON OBJECTION(S)]

IT IS SO ORDERED this ____ day of _____, 2023.

COUNSEL FOR DEFENDANT

rsharp@midwest-law.com
rhudson@midwest-law.com
sgoodger@midwest-law.com

CLASS COUNSEL

**IN THE UNITED STATES DISTRICT COURT FOR THE
EASTERN DISTRICT OF OKLAHOMA**

Kunneman Properties LLC, et al., on behalf of
themselves and all others similarly situated,

Plaintiffs,

v.

Marathon Oil Company,

Defendant.

Case No. 22-CV-274-KEW

INITIAL PLAN OF ALLOCATION ORDER

This Initial Plan of Allocation Order sets forth the manner in which the Net Settlement Fund will be administered and distributed to Class Members. The Net Settlement Fund for distribution will be allocated to each Class Member based on the factors and considerations set forth in the Initial Plan of Allocation (Doc. 19-6) and the Settlement Agreement (Doc. 12-1).

INITIAL PLAN OF ALLOCATION

The Net Settlement Fund for distribution will be allocated among individual Class Members based upon the factors set forth in the Declaration of Barbara Ley (Doc. 19-6), which are consistent with the factors set forth in Settlement Agreement (Doc. 12-1) and approved by the Court. Pursuant to the Settlement Agreement, the Plan of Allocation reduces the amount available for distribution for estimates of Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Awards, which amounts were ultimately determined by the Court at the Final Fairness Hearing and which will be implemented in the Final Plan of Allocation.

The Court reserves the right to modify this Initial Plan of Allocation Order without further notice to any Class Members who have not entered an appearance. The allocation of the Net Settlement Fund among Class Members and the Allocation Methodology is a matter separate and apart from the proposed Settlement between Class Members and Defendant, and any decision by the Court concerning allocation and distribution of the Net Settlement Fund among Class Members shall not affect the validity or finality of the Settlement or operate to terminate or cancel the Settlement.

TIME FOR ALLOCATION AND DISTRIBUTION

The allocation and distribution of the Net Settlement Fund for distribution shall be under the direct supervision of the Court and shall be consistent with the Final Plan of Allocation submitted by Class Counsel and approved by the Court. Furthermore, the timing, manner, and process for any distributions shall be consistent with the timing and process provided for in the Settlement Agreement (Doc. 12-1), which is incorporated herein by reference.

IT IS SO ORDERED this ____ day of _____, 2023.

**DECLARATION OF DALE KUNNEMAN IN SUPPORT OF
FINAL APPROVAL MOTIONS**

I, Dale Kunneman, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I have personal knowledge of the facts set out in this declaration based upon my involvement in the Litigation and on information provided to me.
2. I respectfully submit this declaration in support of the forthcoming Motion for Final Approval of Class Action Settlement and Motion for Approval of Plaintiffs’ Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Awards.
3. By submitting this declaration, I neither intend to, nor do I, waive any protections, including, the attorney-client privilege, work product privilege, or any other privileges I or Kunneman Properties LLC (“Kunneman”) may have.
4. I am the Manager of Kunneman, a named plaintiff and Class Representative in the Litigation.
5. Kunneman is a royalty owner in oil-gas-wells in Oklahoma to which Defendant has distributed oil-and-gas royalties.

EXHIBIT 3

6. In 2017, I, on behalf of Kunneman, sought legal advice from counsel experienced in investigating oil-and-gas royalty payment practices. I decided to retain Class Counsel to represent Kunneman and to initiate and prosecute this Litigation against Marathon following those initial consultations. As part of that decision, I, as manager of Kunneman, was advised of my commitment to fulfill the responsibilities as Plaintiff and proposed Class Representative.

7. With what I learned in retaining Class Counsel, including the risks and uncertainty associated with the Litigation, the potentially significant expenses Class Counsel might incur, and the high level of representation to be provided by Class Counsel, I agreed that Class Counsel would represent Kunneman on a contingency fee basis of forty percent of any recovery obtained. When I agreed to this arrangement, I understood a forty percent contingency fee to be the market rate for similar actions. I, on behalf of Kunneman, executed a written agreement with Class Counsel that they could seek a fee of forty percent of any gross recovery. I understood that Class Counsel would work on a fully contingent basis and that Kunneman would not pay hourly rates or expenses under any circumstances. Kunneman's claim was not economic to pay the fees and expenses necessary to litigate this matter to completion on a pay-as-you-go or non-contingent fee structure.

8. I have been involved in this Litigation since before the filing of the original complaint. By participating in this Litigation, I hoped to obtain a monetary recovery for Kunneman and other owners in the Class who were subject to deductions by Marathon from their royalty payments.

9. I sought to understand Class Counsel's work in the Litigation at each stage, and I participated in the decision to enter into the Settlement.

10. This action has been litigated for over five years, which included the filing of briefs, pursuing document productions, reviewing documents, deposition discovery, consulting with experts, reviewing and analyzing complex accounting information, creating damages modeling, attending mediations and settlement conferences, negotiating a settlement, reviewing settlement documents, and seeking the Court's approval of the Settlement. Throughout the entire five years of litigation, I regularly communicated with Class Counsel on the status of the Litigation.

11. I was personally deposed in this case and further produced numerous documents in response to Defendant's discovery requests.

12. I was also personally involved in the negotiation process, which ultimately resulted in a settlement following the settlement meeting between counsel.

13. I believe the negotiation process resulted in an excellent settlement and a significant benefit to the Settlement Class, which provides a cash value of \$35,000,000.00. This amount, after reduction for court-approved Plaintiffs' Attorneys' Fees, reimbursement of Litigation Expenses, payment of Administration Expenses, Notice and Distribution Costs, and Case Contribution Awards, if any, will be distributed to Class Members once the Settlement becomes Final and Non-Appealable, if approved. I believe this is a substantial recovery for the Settlement Class.

14. The Settlement also includes the Future Benefits and Methodology, which will provide clarity on royalty payments for the Settlement Class, as well as certain negotiated exemptions for categories of deductions, for a period of ten years following the Claim Period.

15. Through involvement in this Litigation, I understand the strengths and weaknesses of the claims against Defendant. I am aware of the hurdles the Settlement Class would be required to overcome to prove liability and damages if the Litigation was to be tried rather than settled, obstacles that have manifested themselves in this Litigation.

16. My understanding of the facts and law provides a basis from which I recommend approval of the Settlement. The Settlement is a substantial recovery for the Settlement Class under circumstances where it was possible that no recovery at all would be obtained. I fully support this Settlement as fair, reasonable, and adequate for the Settlement Class and Class Members.

17. I am very pleased with the efforts of Class Counsel, who I found always conducted themselves with professionalism and diligence while effectively representing the interests of the Settlement Class and Kunneman.

18. Class Counsel is collectively applying for an award of Plaintiffs' Attorneys' Fees out of the Gross Settlement Fund, as well as reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs reasonably and necessarily incurred in successfully prosecuting the claims in this Litigation. Because of Class Counsel's extensive, efficient, and excellent work, I approve of Class Counsel's application for a fee award equal to 40% of the Gross Settlement Fund. I approve of Class Counsel's request for reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs. I understand that if the award is granted, Plaintiffs' Attorneys' Fees and reimbursed Litigation Expenses and Administration, Notice, and Distribution Costs will be paid to Class Counsel out of the Gross Settlement Fund prior to the distribution of funds to Class Members.

19. Class Counsel's request for Plaintiffs' Attorneys' Fees is consistent with our negotiated fee agreement. I am pleased with how Class Counsel conducted the Litigation and with the results achieved. Further, I support Class Counsel's request for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs because I believe Class Counsel has prosecuted this Litigation in an efficient manner given its complexities and has incurred reasonable, necessary, and significant expenses.

20. While Kunneman will recover its pro rata share of the Net Settlement Fund, I intend to seek a Case Contribution Award for Kunneman as a result of its representation of the Class. The court-approved Class Notice states that the three Class Representatives will seek Case Contribution Awards not to exceed 2% of the Gross Settlement Fund. Kunneman's share of that requested amount, on a pro rata basis, is \$233,333.33. This amount is based on the amount of time dedicated to the Litigation over the course of five years, as well as the expense, risk, and burden of serving as Class Representative in the Litigation, and a reasonable estimate of the time to be dedicated to the Litigation through the final distribution of the Gross Settlement Fund. I believe that such an award is justified in this case for Kunneman.

21. Neither I nor Kunneman was promised any recovery or made any guarantees prior to filing this Litigation, or at any time during the Litigation.

22. Based on these efforts and the benefits obtained for the Class, I submit that a Case Contribution Award for Kunneman is fair and reasonable as compensation for the time and expense incurred to obtain this Settlement on behalf of the Settlement Class.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: January 4, 2023.

Case No. 22-CV-274-KEW

**DECLARATION OF DAVID MONTGOMERY IN SUPPORT OF
FINAL APPROVAL MOTIONS**

I, David Montgomery, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I have personal knowledge of the facts set out in this declaration based upon my involvement in the Litigation and on information provided to me.

2. I respectfully submit this declaration in support of the forthcoming Motion for Final Approval of Class Action Settlement and Motion for Approval of Plaintiffs’ Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Awards.

3. By submitting this declaration, I neither intend to, nor do I, waive any protections, including, the attorney-client privilege, work product privilege, or any other privileges I, DJM Family, LLC (“DJM”), or Royse Family, L.L.C. (“Royse”) may have.

4. I am the Managing Member of DJM and Royse, named plaintiffs and Class Representatives in the Litigation.

5. DJM and Royse are royalty owners in oil-gas-wells in Oklahoma to which Defendant has distributed oil-and-gas royalties.

6. In 2019, DJM and Royse became aware of this Litigation and reached out to Class Counsel to discuss the matter. After those initial discussions, DJM and Royse agreed to become additionally-named plaintiffs and Class Representatives in the Litigation.

7. With what I learned in retaining Class Counsel, including the risks and uncertainty associated with the Litigation, the potentially significant expenses Class Counsel had and would further incur, and the high level of representation provided by Class Counsel, I agreed that Class Counsel would represent DJM and Royse on a contingency fee basis of forty percent of any recovery obtained. When I agreed to this arrangement, I understood a forty percent contingency fee to be the market rate for similar actions. I, on behalf of DJM and Royse, executed a written agreement with Class Counsel that they could seek a fee of forty percent of any gross recovery. I understood that Class Counsel would work on a fully contingent basis and that DJM and Royse would not pay hourly rates or expenses under any circumstances. DJM's and Royse's claims were not economically sufficient to pay the fees and expenses necessary to litigate this matter to completion on a pay-as-you-go or non-contingent fee structure.

8. I have been involved in this Litigation on behalf of DJM and Royse since 2019, when DJM and Royse were added as additional parties to this Litigation. By joining in this Litigation, I hoped to obtain a monetary recovery for DJM and Royse and other owners in the Settlement Class who were subject to deductions by Marathon from their royalty payments.

9. I sought to understand Class Counsel's work in the Litigation at each stage, and I participated in the decision to enter into the Settlement.

10. This action has been litigated for over five years, which included the filing of briefs, pursuing document productions, reviewing documents, deposition discovery, consulting with ex-

perts, reviewing and analyzing complex accounting information, creating damages modeling, attending mediations and settlement conferences, negotiating a settlement, reviewing settlement documents, and seeking the Court's approval of the Settlement. Since DJM's and Royse's addition to this Litigation, I regularly communicated with Class Counsel on the status of the Litigation.

11. I was personally deposed in this case and further produced numerous documents in response to Defendant's discovery requests.

12. I was also personally involved in the negotiation process, which ultimately resulted in a settlement following the settlement meeting between counsel.

13. I believe the negotiation process resulted in an excellent settlement and a significant benefit to the Settlement Class, which provides a cash value of \$35,000,000.00. This amount, after reduction for court-approved Plaintiffs' Attorneys' Fees, reimbursement of Litigation Expenses, payment of Administration Expenses, Notice and Distribution Costs, and Case Contribution Awards, if any, will be distributed to Class Members once the Settlement becomes Final and Non-Appealable, if approved. I believe this is a substantial recovery for the Settlement Class.

14. The Settlement also includes the Future Benefits and Methodology, which will provide clarity on royalty payments for the Settlement Class, as well as certain negotiated exemptions for categories of deductions, for a period of ten years following the Claim Period.

15. Through involvement in this Litigation, I understand the strengths and weaknesses of the claims against Defendant. I am aware of the hurdles the Settlement Class would be required to overcome to prove liability and damages if the Litigation was to be tried rather than settled, obstacles that have manifested themselves in this Litigation.

16. My understanding of the facts and law provides a basis from which I recommend approval of the Settlement. The Settlement is a substantial recovery for the Settlement Class under

circumstances where it was possible that no recovery at all would be obtained. I fully support this Settlement as fair, reasonable, and adequate for the Settlement Class and Class Members.

17. I am very pleased with the efforts of Class Counsel, who I found always conducted themselves with professionalism and diligence while effectively representing the interests of the Settlement Class and DJM and Royse.

18. Class Counsel is collectively applying for an award of Plaintiffs' Attorneys' Fees out of the Gross Settlement Fund, as well as reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs reasonably and necessarily incurred in successfully prosecuting the claims in this Litigation. Because of Class Counsel's extensive, efficient, and excellent work, I approve of Class Counsel's application for a fee award equal to 40% of the Gross Settlement Fund. I approve of Class Counsel's request for reimbursement of reasonable Litigation Expenses and Administration, Notice, and Distribution Costs. I understand that if the award is granted, Plaintiffs' Attorneys' Fees and reimbursed Litigation Expenses and Administration, Notice, and Distribution Costs will be paid to Class Counsel out of the Gross Settlement Fund prior to the distribution of funds to Class Members.

19. Class Counsel's request for Plaintiffs' Attorneys' Fees is consistent with our negotiated fee agreement. I am pleased with how Class Counsel conducted the Litigation and with the results achieved. Further, I support Class Counsel's request for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs because I believe Class Counsel has prosecuted this Litigation in an efficient manner given its complexities and has incurred reasonable, necessary, and significant expenses.

20. While DJM and Royse will recover their pro rata share of the Net Settlement Fund, I intend to seek a Case Contribution Award for DJM and Royse as a result of their representation

of the Settlement Class. The court-approved Class Notice states that the three Class Representatives will seek Case Contribution Awards not to exceed 2% of the Gross Settlement Fund. DJM's and Royse's share of that requested amount, on a pro rata basis, is \$233,333.33 each. These amounts are based on the time dedicated to the Litigation over the course of years, as well as the expense, risk, and burden of serving as Class Representatives in the Litigation, and a reasonable estimate of the time to be dedicated to the Litigation through the final distribution of the Gross Settlement Fund. I believe that such an award is justified in this case for DJM and Royse.

21. Neither I nor DJM nor Royse were promised any recovery or made any guarantees prior to joining this Litigation, or at any time during the Litigation.

22. Based on these efforts and the benefits obtained for the Class, I submit that Case Contribution Awards for DJM and Royse are fair and reasonable as compensation for the time and expense incurred to obtain this Settlement on behalf of the Settlement Class.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: January 12, 2023.

**IN THE UNITED STATES DISTRICT COURT FOR
THE EASTERN DISTRICT OF OKLAHOMA**

Kunneman Properties, LLC, *et al.*, on
behalf of themselves and all others
similarly situated,

Plaintiffs,

v.

Marathon Oil Company,

Defendant.

Case No. 22-CV-274-KEW

**JOINT DECLARATION OF CLASS COUNSEL IN SUPPORT OF
MOTION FOR FINAL APPROVAL OF THE CLASS SETTLEMENT AND
MOTION FOR APPROVAL OF PLAINTIFFS' ATTORNEYS' FEES, LITIGATION
EXPENSES, ADMINISTRATION, NOTICE AND DISTRIBUTION COSTS,
AND CASE CONTRIBUTION AWARDS**

The undersigned Class Counsel jointly submit this declaration under penalty of perjury in support of the Motion for Final Approval of the Class Settlement and the Motion for Approval of Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Awards, which are filed contemporaneously with this declaration.¹ The statements made are based upon the personal knowledge and information for each of us.

BACKGROUND

Attorney Information

1. We have litigated many class actions and complex commercial litigations in the state and federal courts of Oklahoma and in other state and federal courts.

2. We, Reagan E. Bradford and Ryan K. Wilson, are partners at the firm of Bradford & Wilson PLLC, which focuses on class actions and complex commercial litigation. We

¹ Capitalized terms not otherwise defined shall have the meaning ascribed to them in the Settlement Agreement (Doc. 12-1).

primarily litigate oil-and-gas class actions like this one and have successfully achieved recoveries for several classes on claims similar to those at issue in this case. *See, e.g., Cecil v. BP Am. Prod. Co.*, No. 16-CV-410-KEW (E.D. Okla.); *Harris v. Chevron U.S.A., Inc.*, No.19-CV-355-SPS (E.D. Okla.); *McNeill v. Citation Oil & Gas Corp.*, No. 17-CIV-121-RAW (E.D. Okla.); *Bollenbach v. Okla. Energy Acquisitions LP*, No. 17-CV-134-HE (W.D. Okla.); *McKnight Realty Co. v. Bravo Arkoma*, No. 17-CV-308-KEW (E.D. Okla.); *Speed v. JMA Energy Co., LLC*, No. CJ-2016-59 (Okla. Dist. Ct. Hughes Cty.); *Henry Price Tr. v. Plains Mktg.*, No. 19-cv-390-KEW (E.D. Okla.); *Hay Creek Royalties, LLC v. Roan Res. LLC*, No. 19-CV-177-CVE-JFJ (N.D. Okla.); *Johnston v. Camino Nat. Res., LLC*, No. 19-CV-2742-CMA-SKC (D. Colo.); *Swafford v. Ovintiv Inc., et al.*, No. 21-CV-210-SPS (E.D. Okla.); *Pauper Petroleum, LLC v. Kaiser-Francis Oil Co.*, No. 19-CV-514-JFH-JFJ (N.D. Okla.); *Joanne Harris Deitrich Tr. A v. Enerfin Res. I Ltd. P'ship, et al.*, No. 20-CV-1199-F (E.D. Okla.); *Hay Creek Royalties, LLC v. Mewbourne Oil Co.*, No. 20-CV-084-KEW (W.D. Okla.); *Rounds, et al. v. FourPoint Energy, LLC*, No. 20-CV-52-P (W.D. Okla.); *McKnight Realty Co. v. Bravo Arkoma, LLC*, No. 20-CV-428-KEW (E.D. Okla.); *Wake Energy, LLC v. EOG Res., Inc.*, No. 20-CV-183-ABJ (D. Wyo.). In addition to those prior recoveries, we are actively litigating over a dozen other class claims related to oil-and-gas royalty payments. More information about us may be found on the firm website, www.bradwil.com.

3. I, Rex. A Sharp, am a partner at the firm of Sharp Law, LLP, which also focuses on class actions and complex commercial litigation, including oil-and-gas class actions like this one. I have litigated a substantial number of oil-and-gas class actions like this one, recovering for many classes on claims similar to those at issue in this case. *See, e.g., Cecil v. BP Am. Prod. Co.*, No. 16-CV-410-KEW (E.D. Okla. 2018); *Chieftain Royalty Co. v. XTO Energy, Inc.*, No. CIV-11-29-KEW (E.D. Okla. 2018); *Bollenbach v. Okla. Energy Acquisitions LP, et al.*, No. 17-CV-134-HE (W.D. Okla. 2018); *Fitzgerald Farms, Inc. v. Chesapeake Operating Co.*, No. CJ-I 0-38 (Okla. Dist. Ct. Beaver Cty. 2015); *Freebird, Inc. v. Merit Energy Co.*, No. 10-1154-KHV (D. Kan. Dec. 16, 2012); *Hershey v. ExxonMobil Oil Co.*, No. 07-1300-JTM (D. Kan.

2012); *Eatinger v. BP Am. Prod. Co.*, No. 07-1266-EFM (D. Kan. 2012). In addition to those prior recoveries, I am actively litigating numerous other class claims related to oil-and-gas payments. More information about me may be found on the firm website, <https://sharplawllp.com/>.

4. The Court has appointed Reagan E. Bradford, Ryan K. Wilson, and Rex A. Sharp as Co-Lead Class Counsel for the Settlement Class. Doc. 15 at 4, ¶ 4.

5. As Co-Lead Class Counsel, the foregoing have achieved an exceptional result, obtaining a \$35 million cash recovery for the Settlement Class and at least \$25 million in future benefits for a Gross Settlement Value of \$60 million. *See* Doc. 19-6, Ley Decl. at 3, ¶ 7.

Work Completed Before Filing Suit

6. Months before filing the Litigation, Class Counsel extensively investigated the payment practices of Defendant Marathon Oil Company (“Marathon”), speaking with multiple potential class representatives and reviewing their oil-and-gas leases and remittance statements from Marathon.

7. We reviewed and analyzed the documents and information available to us, including correspondence, legal instruments, and publicly available information about Marathon and its business in Oklahoma.

8. We also reviewed prior and pending cases related to the claims at issue in this case, and we relied upon our experience in cases of this kind.

9. Based on our review and analysis, and after discussing the same with our client, we filed a Complaint to initiate this case, including claims on behalf of the class members.

Work Done After Filing

10. **Motion to Dismiss & Motion to Transfer.** Plaintiff Kunneman Properties LLC (“Kunneman”) initiated this case by filing a complaint in the Northern District of

Oklahoma on August 7, 2017. NDOK, Doc. 1.² Marathon moved for an extension of time to respond (NDOK, Doc. 9), and ultimately moved to dismiss on September 11, 2017. NDOK, Doc. 21. That same day, Marathon also moved to transfer the case to the Western District of Oklahoma. NDOK, Doc. 22. Kunneman moved for an extension of time to respond to both motions, seeking a ninety-day extension to conduct discovery on the transfer motion. NDOK, Doc. 24. Marathon objected to Plaintiff's efforts to do discovery on the transfer motion. NDOK, Doc. 25. The court granted in part and denied in part Kunneman's extension motion, giving Kunneman until October 25, 2017, to file its response to the transfer motion. NDOK, Doc. 31. Kunneman filed its response to the transfer motion on that date, pointing out that venue was proper in the Northern District based on the fact that Marathon engaged IBM to perform its royalty remittance functions out of Tulsa, Oklahoma. NDOK, Doc. 35. The court denied Marathon's motion to transfer venue on January 9, 2018. NDOK, Doc. 37.

11. **First Motion to Compel.** Over the following months, the parties engaged in written discovery practice, including meeting and conferring over requests and objections. Ultimately, Kunneman filed its first motion to compel on July 9, 2019, in which Kunneman sought to compel the production of several requests and documents, including the search, collection, and production of electronically stored information. NDOK, Doc. 50. The court set the motion for hearing on September 5, 2019. NDOK, Doc. 51. After full briefing by the parties, the court heard over an hour of oral argument on the motion to compel and ultimately granted the motion in an order on October 15, 2019. *See Kunneman Props. LLC v. Marathon Oil Co.*, No. 17-CV-456-GKF-JFJ (N.D. Okla. Oct. 15, 2019). Shortly before that, the court entered an order granting in part and denying in part the motion to dismiss. NDOK, Doc. 83.

12. **First Amended Complaint.** On October 29, 2019, Kunneman filed the First Amended Complaint, which added additional class representatives, including Plaintiffs DJM

² Because this case has now spanned two dockets in two different districts, we use "NDOK" to signify citation to the docket in the Northern District proceeding, Case No. 17-CV-456.

Family, LLC and Royse Family, L.L.C.³ NDOK, Doc. 89. Marathon filed its answer to the First Amended Complaint on November 12, 2019. NDOK, Doc. 94.

13. **Mediation.** During this period, after conducting significant discovery, the parties agreed to mediate the case with Robert G. Gum, who has significant experience mediating oil-and-gas class actions like this one. Ahead of mediation, the parties shared voluminous data and analysis in an attempt to get on the same page as to each party's approach to valuing potential damages. Class Counsel prepared a thirteen-page mediation statement, which was supported by eight exhibits spanning 150 pages. The parties then attended a day-long mediation, that ultimately proved unsuccessful.

14. **Second Motion to Compel.** Additional discovery occurred over the following months, including significant deposition discovery. Based on information learned throughout discovery, Plaintiffs served additional discovery to Marathon, and the parties met and conferred over these requests. Ultimately, Plaintiffs filed the Second Motion to Compel on November 11, 2020. NDOK, Doc. 110. The issue was fully briefed by December 2, 2020, and the court held a hearing on December 9, 2020, during which the magistrate judge read her ruling—granting in part and denying in part—on the Second Motion to Compel into the record. NDOK, Doc. 122.

15. **Marathon's Objection to the Magistrate Judge's Ruling on the Second Motion to Compel.** Marathon objected to the magistrate judge's ruling on the Second Motion to Compel, which ordered Marathon to produce its *Mittelstaedt* Reviews to Plaintiffs. NDOK, Doc. 126. The parties fully briefed Marathon's objection by January 13, 2021. NDOK, Doc. 132. On January 14, 2021, the court denied Marathon's objection to the magistrate judge's ruling on the Second Motion to Compel. NDOK, Doc. 135.

16. **Plaintiffs' Motion for Class Certification.** Plaintiffs filed their motion for class certification on March 5, 2021. NDOK, Doc. 145. The motion spanned thirty-one pages

³ Kunneman Properties, LLC, DJM Family, LLC, and Royse Family, L.L.C. are collectively referred to herein as "Plaintiffs" or "Class Representatives."

and was supported by twenty-five exhibits, which spanned over 2,000 pages. Marathon filed its response to Plaintiffs' motion for class certification on April 30, 2021. NDOK, Doc. 161. Marathon's motion spanned forty-five-page brief, along with thirty-three exhibits, which spanned over 500 pages. Plaintiffs' filed their reply on May 28, 2021, which consisted of ten pages and fourteen exhibits, which spanned 1,400 pages. Overall, the class certification briefing consisted of 86 pages of briefing and nearly 4,000 pages of exhibits. The court conducted a day-long class certification hearing on July 9, 2021, which consisted of oral argument and live witness testimony. NDOK, Doc. 179. The court struck all deadlines pending its ruling on class certification. The court ultimately issued its ruling on class certification on March 31, 2022, denying class certification on the narrow basis of the lease chart. NDOK, Doc. 187.

17. **Total Discovery Efforts.** The parties engaged in incredibly voluminous discovery in this matter. Marathon's productions span thirty-three volumes, consisting of nearly 300,000 documents. Additionally, Class Counsel collected and reviewed Plaintiffs' documents, resulting in nearly 3,000 pages of document productions to Marathon. Class Counsel conducted nine depositions of Marathon's witnesses and experts, and Class Counsel defended four depositions of Plaintiffs and their experts.

18. **Settlement Discussions.** The parties had been in the preliminary stages of reviving settlement discussions prior to the Northern District's ruling on class certification. After receiving that ruling, the parties again conferred and agreed that it was advisable to again discuss potential resolution before resuming potential future litigation paths. This process required the parties to share updated accounting data and analysis.

19. **Settlement Meeting.** After sharing updated analyses, the parties agreed to meet in person to discuss settlement. Class Counsel met with two of Marathon's representatives (along with Marathon's counsel) in Oklahoma City in July of 2022. After a day-long meeting, the parties reached an agreement in principle to settle the classwide claims for \$35 million in cash along with future benefits concerning which deductions Marathon could and could not

take on a ten-year go-forward basis. The parties reduced their agreement into a written term sheet.

20. **Drafting of Settlement Agreement.** The parties then began the task of drafting a classwide settlement agreement, which required nearly six weeks of back-and-forth. The parties ultimately executed the Settlement Agreement on September 9, 2022. *See* Doc. 12-1.

21. **Filing in the Eastern District and Preliminary Approval of the Settlement.** In the Settlement Agreement, the parties agreed to file a new action in this Court to seek approval and administration of the classwide settlement. Accordingly, Class Counsel initiated this current action by filing a complaint on September 27, 2022. Doc. 1. Class Counsel then filed the motion for Preliminary Approval on October 4, 2022. Doc. 12

22. The Court entered the Preliminary Approval Order on November 2, 2022, kicking off implementation of the notice campaign and other settlement approval efforts. Doc. 69.

23. **Notice Campaign and Plan of Allocation.** Class Counsel then worked with the Settlement Administrator to carry out the Notice campaign, which is detailed in the Settlement Administrator's Declaration (Doc. 19-5), and to formulate the Plan of Allocation (Doc. 19-6). These efforts took months of continuous communication and effort to effectuate the Notice campaign and to formulate the Initial Plan of Allocation in accordance with the Court's Preliminary Approval Order and the terms of the Settlement Agreement.

The Overwhelming Positive Reaction to the Settlement

24. Since the Notice campaign was effectuated, and at the time this declaration was executed, only *one* request for exclusion has been received. *See* Doc. 19-5, Keough Decl. at 5, ¶¶ 14–15. And no objections have been received. *Id.* at 5, ¶¶ 16–17. Because this declaration is required to be filed before the final deadline for filing objections or requesting exclusion, Class Counsel will update the Court regarding any requests for exclusion or objections filed after the Court imposed deadlines.

25. The vast majority of Class Members have indicated approval of the terms of the Settlement Agreement by choosing to participate in the Settlement.

26. In Class Counsel's judgment, the Settlement is fair, reasonable, and adequate, as indicated by the overwhelming support of Class Members.

27. The Settlement was also the result of an arm's length, heavily negotiated process, carried out by experienced counsel. This further supports the fairness and reasonableness of the Settlement.

Attorney's Fees

28. Class Counsel is seeking a 40% contingency fee, as is the customary fee in these sorts of cases.

29. Class Representatives negotiated contracts to prosecute this case on a fully contingent basis, with a fee arrangement of 40% of any recovery obtained for the putative class after the filing of the Litigation.

30. Numerous state and federal courts in Oklahoma, including this Court, have recognized that a 40% contingent fee is standard in Oklahoma oil-and-gas class action litigation. *See, e.g., Chieftain Royalty Co. v. Newfield Exploration Mid-Continent Inc.*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 14 ("I find this fee [40%] is consistent with the market rate and is in the range of the 'customary fee' in oil and gas class actions in Oklahoma state courts over the past fifteen (15) years.").

31. Based upon our experience, knowledge, education, study, and professional qualifications, we believe that the 40% contingent fee agreed to with Class Representatives is the market rate for this case and is fair and reasonable. *See* Decl. of [Former] Judge Michael Burrage, *Reirdon v. XTO Energy, Inc.*, No. 16-cv-00087-KEW (E.D. Okla. Dec. 27, 2017) (Doc. No. 96-4, ¶ 4) ("I believe, and numerous state and federal courts in Oklahoma have determined that a 40% contingent fee is within the appropriate market range for cases of this nature."); Decl. of Steven S. Gensler, *id.* at Doc. 92, ¶ 45 ("It is also my understanding that 40% is a typical contingent fee in oil and gas royalty class action litigation in Oklahoma.").

32. Because a contingent fee is set in the marketplace and is definitive evidence of the reasonable and fair percentage fee at the time the risk is undertaken and largely unknown,

courts often focus on the contingent fee class action agreement to set the fee for the entire class.

33. Courts consider the *Johnson* factors to determine whether the requested fee is reasonable. See *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974).

34. **The time and labor required:** The first consideration is not prominent in a contingent fee case such as this. See *Chieftain*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 5 (“[I]n the Tenth Circuit, in a percentage of the fund recovery case such as this, where federal common law is used to determine the reasonableness of the attorneys’ fee under Rule 23(h), neither a lodestar nor a lodestar cross check is required.”). Our efforts and time invested is discussed at length *supra*. In sum, we believe the evidentiary record we developed in this matter and the years of hard-fought litigation illustrated by the docket reflect the time and labor we invested in this matter. This factor supports the fee request.

35. **The novelty and difficulty of the questions presented by the litigation:** While oil-and-gas class actions are not necessarily novel in Oklahoma, they are incredibly difficult and complex, which is proven by the sheer fact that very few law firms undertake them. *Id.* at 10 (“Class actions are known to be complex and vigorously contested . . . The legal and factual issues litigated in this case involved complex and highly technical issues.”). The continued difficulty of this area of the law, both in an oil-and-gas context and in a class action context, is also evident from the various positions taken by various judges, some denying class certification altogether. This factor supports the fee request.

36. **The skill required to perform the legal services properly:** Class actions are inherently difficult and generally hard fought, as is oil-and-gas litigation. Combined, the two areas of law require substantial skill and diligence. Very few firms even undertake such litigation. *Id.* at 11 (“I find the Declarations and other undisputed evidence submitted prove that this Litigation called for Class Counsel’s considerable skill and experience in oil and gas and complex class action litigation to bring it to such a successful conclusion, requiring

investigation and mastery of complex facts, the ability to develop creative legal theories, and the skill to respond to a host of legal defenses.”).

37. **The preclusion of other employment by the attorney due to the acceptance of the case:** While not a critical factor, it is common knowledge that the longer a case goes on the more other legal business it precludes since a lawyer and a law firm only have a finite amount of time to offer. This factor supports the fee request.

38. **The customary fee:** As shown above, the customary fee is 40%. *See supra* ¶ 31. Sometimes more is awarded if counsel must go through trial or handle the case on appeal. Sometimes less is awarded if the case is a mega fund case. This Class Lawsuit is neither. This factor supports the fee request.

39. **Whether the fee is fixed or contingent:** This factor is the only one in the disjunctive—fixed “or” contingent. It is important to preserve the parties’ expectations in their representation agreement. In a contingent fee context, a poor result means a poor fee (regardless of how long or hard the attorney worked, or how much skill displayed). A loss means no fee and usually the attorney “eats” the out-of-pocket expenses too. *See Chieftain*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 17 (“If Class Counsel had not been successful, they would have received zero compensation (not to mention reimbursement for expenses).”). When successful, a contingent fee must significantly exceed an hourly fee to recognize the risk of a substantial financial loss if the plaintiff is unsuccessful. Both types of fee structures are used in different settings, and both are ethical, legal, and reasonable. The fee in this case was a contingent fee case. This factor supports the fee request.

40. **Time limitations imposed by the client or the circumstances:** This was not a factor in this case and should not influence the Court one way or the other.

41. **The amount in controversy and the results obtained:** The Parties had varying damage models, as is customary. And the \$35 million cash settlement represents a significant amount of the damages calculated by Plaintiffs’ expert. The result obtained in a contingent fee case is by far the most important factor in determining the fee to award. *See Hensley v.*

Eckerhart, 461 U.S. 424, 436 (1983) (the “critical factor is the degree of success obtained”). Many class actions have settled near or for a lower proportionate recovery of actual damages recovered here, and in Oklahoma, some actions have failed altogether. This factor supports the fee request.

42. **The experience, reputation, and ability of the attorney:** We have extensive experience with both class actions and royalty underpayment and late payment suits, as this Court has previously found. *See supra* ¶¶ 2–3. We believe our experience and skill have served the Class Members well, meriting an award of fees as requested. Moreover, in this case, we faced opposition from experienced counsel from a well-respected law firm regularly hired by large, sophisticated corporate defendants. This factor supports the fee request.

43. **Whether or not the case is an undesirable case:** Very few attorneys have the desire to take the risk involved in class actions. That is even more so in oil-and-gas class actions, where a litigation battle is waged against a well-financed oil and gas company. *See, e.g., Chieftain*, No. 17-CV-336-KEW (E.D. Okla. Mar. 3, 2020), Doc. 71 at 18 (“Compared to most civil litigation, this Litigation clearly fits the “undesirable” test and no other firms or plaintiffs have asserted these claims against Newfield . . . Few law firms would be willing to risk investing the time, trouble and expenses necessary to prosecute this Litigation[.]”). This factor supports the fee request.

44. **The nature and length of the professional relationship with the client:** This factor has little if any relevance here, but still supports the requested award. We worked with Class Representatives throughout the Litigation to prosecute these claims and Class Representatives zealously represented the Class. This factor supports the fee request.

45. **Awards in similar cases:** As shown above, the usual fee in the context of oil-and-gas class action litigation like this is 40%. This factor supports the fee request.

46. **The risk of recovery in the litigation:** The risk of no recovery was substantial. Many oil-and-gas class actions have met with no class certification and, as a result, no

recovery. And, of course, trial and the inevitable appeal is always risky. This factor supports the fee request.

47. Overall, the factors, and certainly the most important factors, support a 40% fee.

Litigation Expenses

48. The books and records of Bradford & Wilson PLLC and Sharp Law, LLP reflect the expenses incurred for this case. Based on our oversight of the work in connection with the Litigation and our review of these records, we, Reagan E. Bradford, Ryan K. Wilson, and Rex A. Sharp believe them to constitute an accurate record of the expenses actually incurred by our firm in connection with the Litigation, and that all of the expenses were necessary to the successful conclusion of this case. The total expenses paid by Bradford & Wilson PLLC (including our prior firm, The Lanier Law Firm) to date are \$208,570.26. The total expenses paid by Sharp Law, LLP to date are \$140,817.25. Together, the total firm expenses paid to date by our firms are \$349,387.51.

49. The expenses will increase as we prepare for the Settlement Fairness Hearing, including preparation of a preliminary allocation under the Plan of Allocation and a Final Plan of Allocation and Distribution Order. Also, expenses will increase to the extent that bills for expenses have not yet arrived and been catalogued into the presently available number. At this time, we anticipate that we will incur an additional \$135,000.00 in Litigation Expenses through the conclusion of this Litigation.

50. The most current account of Litigation Expenses will be provided to the Court at the Final Fairness Hearing.

Administration, Notice, and Distribution Costs

51. The court-appointed Settlement Administrator, JND, has incurred approximately \$25,390.85 as of the date of this declaration. *See* Doc. 19-5, Keough Decl. ¶ 18. Under the Settlement Agreement, these Administration, Notice, and Distribution Costs are to be paid from the Settlement Proceeds.

52. JND estimates that it will require an additional \$89,609.15 in Administration, Notice, and Distribution Costs to complete the settlement process, for an overall total cost of \$115,000.00 in Administration, Notice, and Distribution Costs. *Id.*

Case Contribution Award

53. The Class Representatives in this Litigation were indispensable. See Doc. 19-3, Class Representative Decls. Class Representatives engaged experienced counsel, significantly assisted with the Litigation, with the negotiation of the settlement, and with the process for completing and seeking approval of the Settlement. Additionally, Class Representatives searched and collected documents from their own records in discovery, and Class Representatives also sat for depositions in this case. When reason and common sense suggested mediating a resolution, Class Representatives assisted in the process to ensure it was fair, reasonable, fully adversarial, and non-collusive. Class Representatives have earned a Case Contribution Award, and 2% is common in oil-and-gas class actions in Oklahoma. *See, e.g., Harris v. Chevron U.S.A., Inc., et al.*, No. 19-CV-355-SPS (E.D. Okla. Feb. 27, 2020), Doc. 40 at 17 (The class representative’s “request for an award of two percent is consistent with awards entered by Oklahoma state and federal courts, as well as federal courts across the country.”).

54. Here, as set forth in the Notice, each of the three Class Representatives seeks a case of contribution award of \$233,333.33, which cumulatively totals \$699,999.99, amounting to ~2% of the \$35 million cash settlement. Having worked with Class Representatives throughout the pendency of the Litigation, we fully support this request and believe the time and effort expended by Class Representatives merits Case Contribution Awards of this value.

Case No. 22-CV-274-KEW

**DECLARATION OF JENNIFER M. KEOUGH ON BEHALF OF SETTLEMENT
ADMINISTRATOR, JND LEGAL ADMINISTRATION LLC, REGARDING
NOTICE MAILING AND ADMINISTRATION OF SETTLEMENT**

I, JENNIFER M. KEOUGH, declare and state as follows:

1. I am the Chief Executive Officer and President of JND Legal Administration (“JND”).¹ This Declaration is based on my personal knowledge, as well as upon information provided to me by experienced JND employees, and if called upon to do so, I could and would testify competently thereto.

2. JND is a legal administration services provider with its headquarters located in Seattle, Washington. JND has extensive experience in all aspects of legal administration and has administered settlements in hundreds of cases. As CEO of JND, I am involved in all facets of our Company’s operation. Among my responsibilities is to monitor the implementation of our notice and claim administration programs. I have more than 20 years of legal experience designing and supervising such programs.

¹ Capitalized terms used and otherwise not defined in this Declaration shall have the meanings given to such terms in the Settlement Agreement or Preliminary Approval Order.

3. JND is serving as the Settlement Administrator in the above-captioned litigation (the “Action”) pursuant to the Court’s Preliminary Approval Order dated November 2, 2022.

CLASS MEMBER DATA

4. On October 10, 2022, JND received a spreadsheet containing the names, mailing addresses, and other identifying information for 18,860 potential Class Members. On November 2, 2022, JND received a further spreadsheet containing the names, mailing addresses, and other identifying information for 132 additional potential Class Members. JND promptly loaded the information for 18,992 potential Class Members into a database established for this administration.

5. Prior to mailing notices, JND certified the mailing data via the Coding Accuracy Support System (“CASS”) in order to ensure the consistency of the contact information in the database and then verified the mailing addresses through the National Change of Address (“NCOA”) database², identifying updated addresses for 1,299 records. In addition, JND conducted advanced address research through TransUnion’s TLO service for records for which sufficient information was available for a match and identified updated addresses for one (1) record. Of the 18,992 records, a mailing address could not be located for 36 potential Class Member records, leaving a total of 18,956 unique potential Class Members with a mailing address (“Initial Class Mailing List”).

² The NCOA database is the official United States Postal Service (“USPS”) technology product which makes changes of address information available to mailers to help reduce undeliverable mail pieces before mail enters the mail stream. This product is an effective tool to update address changes when a person has completed a change of address form with the USPS. The address information is maintained on the database for 48 months.

NOTICE MAILING

6. On December 2, 2022, JND caused the Notice of Settlement to be mailed via USPS first-class mail to 18,956 potential Class Members in the Initial Class Mailing List. A representative sample of the mailed Notice of Settlement is attached hereto as **Exhibit A**.

7. In the event any potential Class Member's notice is returned as undeliverable, JND uses all reasonable secondary efforts to deliver the notice to the Class Member. This includes re-mailing any notices returned as undeliverable with a forwarding address and conducting an advanced address search using TransUnion's TLO search, where such a search had not already been conducted, for any notices returned undeliverable without a forwarding address in an attempt to locate an updated address. JND will re-mail the notice to anyone for whom JND is able to obtain an updated address.

8. As of the date of this Declaration, JND has tracked 1,323 notices that have been returned to JND as undeliverable at the address provided. JND re-mailed a total of 197 notices to forwarding addresses provided by USPS. For the remaining undeliverable notices, JND conducted advanced address research through TransUnion's TLO service, which located updated addresses for 407 Class Members. JND duly re-mailed the Notice of Settlement to those potential Class members for whom a new address was obtained. As of the date of this Declaration, of the notices that were forwarded or re-mailed in this manner, 11 have been returned as undeliverable.

SUMMARY NOTICE

9. JND caused the summary Notice of Settlement to be published on December 9, 2022, in *The Oklahoman* and *The Tulsa World*. Digital copies of the Notice of Settlement as seen in these publications is attached hereto as **Exhibit B**.

SETTLEMENT WEBSITE

10. On December 2, 2022, JND established a dedicated website (www.kunneman-marathon.com), which hosts copies of important case documents, including

Original Class Action Petition, the Settlement Agreement, the Preliminary Approval Order, and the Notices of Settlement, and provides answers to frequently asked questions, as well as contact information for the Settlement Administrator. A copy of the Long Form Notice available on the website is attached hereto as **Exhibit C**.

11. As of the date of this Declaration, the website has tracked 291 unique users with 1,792 pageviews. JND will continue to update and maintain the website throughout the administration process and final approval process.

TOLL-FREE INFORMATION LINE

12. On December 2, 2022, JND established a case-specific toll-free telephone number (1-877-654-1979) with an interactive voice recording (IVR) that Class Members can use to obtain more information about the Settlement or to speak to an associate if they have any further questions.

13. As of the date of this Declaration, the toll-free number has received 111 calls.

REQUESTS FOR EXCLUSION

14. The Notices of Settlement direct that Class Members who wished to opt out of the Settlement Class could do so by mailing a valid Request for Exclusion to the Settlement Administrator so that it is received on or before January 26, 2023.

15. As of the date of this Declaration, JND has received one (1) Request for Exclusion. The person or entity requesting exclusion is identified in the list attached hereto as **Exhibit D**.

OBJECTIONS

16. The Notices of Settlement direct that Class Members who would like to object to the Settlement may do so by filing an objection with the Court on or before January 26, 2023.

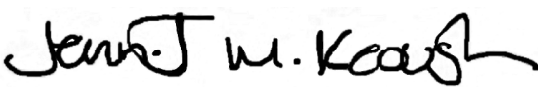

17. As of the date of this Declaration, JND is not aware of any objections.

SETTLEMENT ADMINISTRATION COSTS

18. As of December 31, 2022, JND had incurred \$25,390.85 in administration fees and costs. JND estimates the total cost of bringing the administration of the Settlement to completion will not exceed \$115,000.00.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on January 19, 2023, at Seattle, Washington.

JENNIFER M. KEOUGH

Exhibit A

*A federal court authorized this notice.
This is **not** a solicitation from a lawyer.*

**If You Are or Were a Royalty
Owner Paid by Marathon for
Gas Production from an
Oklahoma Oil-and-Gas Well, You
Could Be a Part of a Proposed
Class Action Settlement.**

There is a proposed Settlement in a putative class action lawsuit filed against Marathon Oil Co. (“Defendant”) called *Kunneman Properties LLC, et al. v. Marathon Oil Co.*, Case No. 22-CV-274-KEW, in the U.S. District Court for the Eastern District of Oklahoma. The Lawsuit claims Defendant underpaid royalties on gas and gas constituents for oil-and-gas production proceeds from wells in Oklahoma.

Kunneman Properties v. Marathon
c/o JND Legal Administration
PO Box 91348
Seattle, WA 98111

ID:

Who is included?

You are a member of the Settlement Class if you own or owned minerals in the State of Oklahoma subject to an oil-and-gas lease from September 1, 2011, through and including March 31, 2022, under which you received royalty on gas from Marathon and your royalty payments were reduced for marketing, gathering, compressing, dehydrating, treating, processing, transporting and fractionating natural gas liquids, or transporting of hydrocarbons. The Class has been preliminary approved for settlement only. There are exclusions.

Why am I receiving this notice?

Defendant’s records indicate you may be a member of the Settlement Class.

What does the settlement provide?

The proposed Settlement provides monetary benefits of \$35,000,000.00 that will be distributed according to the terms of the Settlement Agreement, the documents referenced in and exhibits to the Settlement Agreement, and orders from the Court. The Settlement also provides the Future Benefits and Methodology for the payment of royalties to Settlement Class Members for a ten (10) year period following the Settlement. Plaintiffs’ Counsel will seek attorneys’ fees up to 40% of the Gross Settlement Fund, plus reimbursement of litigation expenses and administration costs, all to be paid from the Settlement. Plaintiffs will seek contribution awards of up to 2% of the Gross Settlement Fund.

What are my legal rights?

You do not have to do anything to stay in the Settlement Class and receive the benefits of the proposed Settlement. If you stay in the Settlement Class, you may also object to the proposed Settlement by following the instructions from the Court (available on the website) by **January 26, 2023**. If you stay in the Settlement Class, you will be bound by all orders and judgments of the Court, and you will not be able to sue, or continue to sue, Defendant or others identified in the Settlement Agreement from claims described therein. You may appear through an attorney if you so desire.

What are my other options?

If you do not wish to participate in or be legally bound by the proposed Settlement, you may exclude yourself by opting out no later than **January 26, 2023**, by following the instructions from the Court (available on the website). If you opt out, you will not receive any benefits from the Settlement and will not be bound by it or the judgment in this case.

When will the Court decide whether to approve the proposed Settlement?

A Final Fairness Hearing has been scheduled for **February 16, 2023**, at 10:00 a.m. CT at the United States District Court for the Eastern District of Oklahoma, 101 North 5th Street, Muskogee, Oklahoma 74401. You are not required to attend the hearing, but you or your lawyer may do so if you wish.

THIS IS ONLY A SUMMARY. TO GET A COPY OF THE LONG-FORM NOTICE OR FOR MORE INFORMATION, VISIT WWW.KUNNEMAN-MARATHON.COM OR CALL TOLL-FREE 1-877-654-1979.

Exhibit B

Adjunct

Continued from Page 1A

Senate Bill 1119 removed the 270-hour limit an adjunct instructor could teach per semester. The measure had no bearing on the level of education needed to be hired.

The bill's House author, Rep. Kyle Hilbert, said the concept of adjunct teaching has worked well for 31 years, and SB 1119 gives schools more flexibility.

"We're often criticized in the Legislature for putting on red tape and not allowing local control," said Hilbert, R-Bristow. "This is a bill that cut that red tape and allows local control."

How is an adjunct teacher hired in Oklahoma?

School districts decide what "distinguished" work experience is sufficient to hire an adjunct candidate and can choose to require the prospective teacher to have finished college. Federal regulations prohibit adjunct instructors from teaching special education, and state law bars them from teaching pre-K and kindergarten.

Many of Oklahoma's 370 adjunct teachers are certified in another subject, said Shawn Hime, executive director of the Oklahoma State School Boards Association. Someone certified to teach only U.S. history, for example, could take on an Oklahoma history class as an adjunct.

Others are "lay coaches" classified as an adjunct instructor but who work only in athletics and teach no academic courses, Hime said.

For Robyn Havener, a mother of two students in Broken Arrow Public Schools, SB 1119 isn't top of mind. Broken Arrow employs more than 1,100 teachers and only seven adjunct instructors, state records show.

But, she said the statewide exodus of traditionally trained teachers is worrisome.

"There is a very specific skillset that educators bring to the table by getting an education degree," Havener said. "I don't know how concerning this specific bill is as much as it is a concern that we aren't valuing educators for the professionals that they are."

How serious is Oklahoma's teacher shortage?

Thirty thousand Oklahoma teachers left the classroom from the 2012-2013 school year through 2017-18, according to a 2018 report from the state Education Department. The state lost between 4,200 and 5,300 teachers a year from the 2012-2013 school year to 2020-21.

The state this year issued more than 3,500 emergency certifications, which give teaching credentials to someone with a bachelor's degree but no formal education training.

Meanwhile, the rate of students enrolling in Oklahoma's colleges of education fell by 80% from 2010 to 2020, more than any other state, according to a 2020 report from the Center for American Progress.

The School Boards Association supported SB 1119 to help districts find the extra educators they need, but Hime said the overall shortage is still unresolved.

The state's largest teacher union, the Oklahoma Education Association, criticized the expansion of adjunct hours and echoed its calls for higher teacher pay to keep more qualified educators in the profession.

Hime said the need for investment in schools extends to counselors, nurses and other classroom resources, as well.

"What we're doing today is all born from the teacher shortage crisis that we're in in Oklahoma," Hime said. "You have more people seeking alternative pathways because there are fewer people going through colleges of education. We as state leaders have to find solutions to get more high-quality people in our classrooms."

Griner

Continued from Page 1A

on her way home," Biden said from the White House, where he was accompanied by Griner's wife, Chelle, and administration officials.

The deal, the second such exchange in eight months with Russia, procured the release of the most prominent American detained abroad. Griner is a two-time Olympic gold medalist whose monthslong imprisonment on drug charges brought unprecedented attention to the population of wrongful detainees.

Biden's authorization to release a Russian felon once nicknamed "the Merchant of Death" underscored the escalating pressure that his administration faced to get Griner home, particularly after the recent resolution of her criminal case and her subsequent transfer to a penal colony.

The Russian Foreign Ministry also confirmed the swap, saying in a statement carried by Russian news agencies that the exchange took place in Abu Dhabi and that Bout has been flown home.

Russian and U.S. officials had conveyed cautious optimism in recent weeks after months of strained negotiations, with Biden saying in November that he was hopeful that Russia would engage in a deal now that the midterm elections were completed. A top Russian official said last week that a deal was possible before year's end.

Even so, the fact that the deal was a one-for-one swap was a surprise given that U.S. officials had for months expressed their determination to bring home both Griner and Paul Whelan, a Michigan corporate security executive jailed in Russia since December 2018 on espionage charges that his family and the U.S. government has said are baseless.

"We've not forgotten about Paul Whelan," Biden said. "We will keep negotiating in good faith for Paul's release."

Whelan's brother David said in a statement he was "so glad" for Griner's release but also disappointed for his family. He credited the White House with giving the Whelan family advance notice and said he did not fault officials for making the deal.

"The Biden Administration made the

Bout

right decision to bring Ms. Griner home, and to make the deal that was possible, rather than waiting for one that wasn't going to happen," he said.

In releasing Bout, the U.S. freed a former Soviet Army lieutenant colonel whom the Justice Department once described as one of the world's most prolific arms dealers. Bout, whose exploits inspired a Hollywood movie, was serving a 25-year sentence on charges that he conspired to sell tens of millions of dollars in weapons that U.S. officials said were to be used against Americans.

The Biden administration was ultimately willing to exchange Bout if it meant Griner's freedom. The detention of one of the greatest players in WNBA history contributed to a swirl of unprecedented public attention for an individual detainee case – not to mention intense pressure on the White House.

Griner's arrest in February made her the most high-profile American jailed abroad. Her status as an openly gay Black woman, locked up in a country where authorities have been hostile to the LGBTQ community, infused racial, gender and social dynamics into her legal saga and made each development a matter of international importance.

Her case not only brought unprecedented publicity to the dozens of Americans wrongfully detained by foreign governments, but it also emerged as a major inflection point in U.S.-Russia diplomacy at a time of deteriorating relations because of Moscow's war against Ukraine.

The imprisonment of Americans produced a rare diplomatic opening, yielding the highest-level known contact between Washington and Moscow – a phone call between Secretary of State Antony Blinken and Russian Foreign Minister Sergey Lavrov – in more than five months.

Griner was arrested at the Moscow's Sheremetyevo Airport in February when customs officials said they found vape canisters with cannabis oil in her luggage. She pleaded guilty in July, though she still faced trial because admitting guilt in Russia's judicial system does not automatically end a case.

She acknowledged in court that she possessed the canisters, but said she had no criminal intent and that their presence was due to hasty packing.

LEGAL NOTICE

If You Are or Were a Royalty Owner Paid by Marathon for Gas Production from an Oklahoma Oil-and-Gas Well, You Could Be a Part of a Proposed Class Action Settlement.

The Settlement Class includes:

All persons who own or owned minerals in the State of Oklahoma subject to an oil-and-gas lease from September 1, 2011, through and including March 31, 2022, under which (1) they received royalty on the sale and disposition of gas from Marathon from Oklahoma oil-and-gas wells; and (2) their royalty payments were reduced for production volumes or production proceeds expended for marketing, gathering, compressing, dehydrating, treating, processing, transporting and fractionating natural gas liquids, or transporting of hydrocarbons produced from the unit.

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) the State of Oklahoma or any of its agencies or departments that own royalty interests; (3) Defendant, its affiliates, predecessors, and employees, officers, and directors; (4) any publicly traded company or their affiliated entity that produces, gathers, processes, or markets gas; (5) overriding royalty owners and others whose interest was carved out from the lessee's interest; (6) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendant, including: Fortis Sooner Trend, LLC; Fortis Minerals II, LLC; FMII STM, LLC; Sooner Trend Minerals, LLC; Phenom Minerals, LLC; Christopher W. Didier; Kari J. Didier; August Grant Didier; Dixie L. Didier Beth Ann Switzer; Kent L. Switzer; Gregory Vic Kirkpatrick; Milton Kent Kirkpatrick Revocable Trust; Emma Eugenia Kirkpatrick Family Trust; Jimmie Ice and Vicki Ice Trust; and Malcome Roy Oyler; and (7) royalty owners whose leases expressly authorize or expressly prohibit deductions under Oklahoma law.

The Litigation seeks damages for Defendant's alleged underpayment of royalty on gas and gas constituents from Oklahoma oil-and-gas wells during the Claim Period. Defendant expressly denies all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court did not decide which side is right.

On November 2, 2022, the Court preliminarily approved a Settlement in which Defendant has agreed to pay Thirty-Five Million Dollars (\$35,000,000.00) in cash (the "Gross Settlement Fund"). From the Gross Settlement Fund, the Court may deduct Plaintiffs' Attorney's Fees and Litigation Expenses, Case Contribution Awards, and any settlement Administration, Notice, and Distribution Costs. The remainder of the fund (the "Net Settlement Fund") will be distributed to final Class Members as provided in the Settlement Agreement. The Settlement Agreement also includes the Future Benefits and Methodology for the Settlement Class, which outlines the costs which will not and may be deducted from future royalties for a period of ten (10) years after the Claim Period. Complete information on the benefits of the Settlement, including information on the distribution of the

Net Settlement Fund, can be found in the Settlement Agreement posted on the website listed below. In exchange, Class Members will release Defendant and others identified in the Settlement Agreement from the claims described in the Settlement Agreement.

The attorneys and law firms who represent the Class as Co-Lead Class Counsel are Reagan E. Bradford and Ryan K. Wilson of Bradford & Wilson PLLC and Rex A. Sharp of Sharp Law, LLP. You may hire your own attorney, if you wish. However, you will be responsible for that attorney's fees and expenses.

What Are My Legal Rights?

- **Do Nothing, Stay in the Class, and Receive Benefits of the Settlement:** If the Court approves the proposed Settlement, you or your successors, if eligible, will receive the benefits of the proposed Settlement.
- **Stay in the Settlement Class, But Object to All or Part of the Settlement:** You can file and serve a written objection to the Settlement and appear before the Court. Your written objection must contain the information described in the Notice of Settlement found at the website listed below and must be filed with the Court no later than **January 26, 2023**, at 5 p.m. CT.
- **Exclude Yourself from the Settlement Class:** To exclude yourself from the Settlement Class, you must submit a written statement requesting exclusion. Your Request for Exclusion must contain the information described in the Notice of Settlement found at the website listed below and must be received no later than **January 26, 2023**, at 5 p.m. CT. You cannot exclude yourself on the website, by telephone, or by email.

The Court will hold a Final Fairness Hearing on February 16, 2023, at 10:00 a.m. CT at the United States District Court for the Eastern District of Oklahoma. At the Hearing, the Court will consider whether the proposed Settlement is fair, reasonable, and adequate. The Court will also consider the application for Plaintiffs' Attorneys' Fees and Litigation Expenses and other costs, including Case Contribution Awards. If comments or objections have been submitted in the manner required, the Court will consider them as well. Please note that the date of the Final Fairness Hearing is subject to change without further notice. If you plan to attend the Hearing, you should check www.kunneman-marathon.com to confirm no change to the date and time of the Hearing has been made.

This notice provides only a summary. For more detailed information regarding the rights and obligations of Settlement Class Members, read the Notice of Settlement, Settlement Agreement and other documents posted on the website or contact the Settlement Administrator.

Can't Hear Voices On TV?

The AccuVoice® AV157 Speaker uses patented hearing aid technology to create 12 levels of dialogue clarity.

Flat-screen TVs use tiny speakers with tinny sound. So many people have to use closed-captioning to watch a movie or sporting event. Our patented hearing aid technology lifts voices out of the soundtrack and clarifies them. The result is remarkable. The AV157 has 12 levels of voice boost – in case you need extra clarity. Only 17" wide, it fits just about anywhere. Hookup is simple – one connecting cord.

ZVOX®
Great Sound. Made Simple.

CASE NO. PB-2022-945

ORDER AND NOTICE OF HEARING ON PETITION FOR APPOINTMENT OF PERSONAL REPRESENTATIVE AND DETERMINATION OF HEIRS

On the 12th day of September, 2022, R. Thomas Seymour petitioned this Court for his appointment as Special Administrator of the Estate of Tiffany A. Campbell, Deceased. The Court entered an order appointing the Special Administrator as requested.

On November 8, 2022 a hearing was commenced on Seymour's petition to be appointed Personal Representative and for determination of heirs. On November 8, 2022 the Court continued said hearing until December 12, 2022 at 1:30 p.m.

It is hereby ordered that said Petition for appointment of R. Thomas Seymour as Personal Representative and for determination of heirs shall again be heard on December 20, 2022 at 10:40 A.M.

NOTICE IS HEREBY GIVEN TO ALL PARTIES that this matter has been ordered and set down for continued hearing to be held on the 20th day of December, 2022 at the hour of 10:40 A.M. All parties are directed to appear at the aforesaid date and file for hearing and to show cause, if any they have, why R. Thomas Seymour should not be appointed Personal Representative, the heirs of Tiffany A. Campbell be determined, and Letters of Administration as Personal Representative be issued to R. Thomas Seymour.

YOUR FAILURE TO APPEAR MAY RESULT IN THE RELIEF REQUESTED BEING GRANTED.

IT IS SO ORDERED.

KURT GLASSCO December 6, 2022

District Judge

Case No. PB-2022-1106 Honorable Judge

Exhibit C

**IN THE UNITED STATES DISTRICT COURT FOR THE
EASTERN DISTRICT OF OKLAHOMA**

Kunneman Properties LLC, et al., on behalf of
themselves and all others similarly situated,

Plaintiffs,

v.

Marathon Oil Company,

Defendant.

Case No. 22-CV-274-KEW

**NOTICE OF PROPOSED SETTLEMENT,
MOTION FOR PLAINTIFFS' ATTORNEYS' FEES AND COSTS,
CASE CONTRIBUTION AWARDS, AND FINAL FAIRNESS HEARING**

A court authorized this Notice. This is not a solicitation from a lawyer.

***If you belong to the Settlement Class and this Settlement is approved,
your legal rights will be affected.***

Read this Notice carefully to see what your rights are in connection with this Settlement.¹

Because you may be a member of the Settlement Class in the Litigation captioned above and described below ("the Litigation"), the Court has directed this Notice to be provided for you. Defendant Marathon Oil Company's ("Defendant" or "Marathon") records show you are an owner in Oklahoma well(s) for which Marathon remitted royalties on gas production. Capitalized terms not otherwise defined in this Notice shall have the meanings attributed to those terms in the Settlement Agreement referred to below and available at www.kunneman-marathon.com.

This Notice generally explains the claims being asserted in the Litigation, summarizes the Settlement, and tells you about your rights to remain a Class Member or to timely and properly submit a Request for Exclusion (also known as an "opt out") so that you will be excluded from the Settlement. This Notice provides information so you can decide what action you want to take with respect to the Settlement before the Court is asked to finally approve it. If the Court approves the Settlement and after the final resolution of any objections or appeals, the Court-appointed Settlement Administrator will issue payments to final Class Members, without any further action from you. This Notice describes the lawsuit, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them.

¹ This Notice is a summary of the terms of the Settlement Agreement in this matter. Please refer to the Settlement Agreement for a complete description of the terms and provisions thereof. A copy of the Settlement Agreement is available for free at www.kunneman-marathon.com. The terms, conditions, and definitions in the Settlement Agreement qualify this Notice in its entirety.

The Settlement Class in the Litigation consists of the following individuals and entities:

All persons who own or owned minerals in the State of Oklahoma subject to an oil-and-gas lease from September 1, 2011, through and including March 31, 2022, under which (1) they received royalty on the sale and disposition of gas from Marathon from Oklahoma oil-and-gas wells; and (2) their royalty payments were reduced for production volumes or production proceeds expended for marketing, gathering, compressing, dehydrating, treating, processing, transporting and fractionating natural gas liquids, or transporting of hydrocarbons produced from the unit.

Excluded from the Class are: (1) agencies, departments or instrumentalities of the United States of America, including but not limited to the U.S. Department of the Interior (the United States, Indian tribes, and Indian allottees); (2) the State of Oklahoma or any of its agencies or departments that own royalty interests; (3) Defendant, its affiliates, predecessors, and employees, officers, and directors; (4) any publicly traded company or their affiliated entity that produces, gathers, processes, or markets gas; (5) overriding royalty owners and others whose interest was carved out from the lessee's interest; (6) royalty owners who have already filed and still have pending lawsuits for underpayment of royalties against Defendant, including: Fortis Sooner Trend, LLC; Fortis Minerals II, LLC; FMII STM, LLC; Sooner Trend Minerals, LLC; Phenom Minerals, LLC; Christopher W. Didier; Kari J. Didier; August Grant Didier; Dixie L. Didier Beth Ann Switzer; Kent L. Switzer; Gregory Vic Kirkpatrick; Milton Kent Kirkpatrick Revocable Trust; Emma Eugenia Kirkpatrick Family Trust; Jimmie Ice and Vicki Ice Trust; and Malcome Roy Oyler; and (7) royalty owners whose leases expressly authorize or expressly prohibit deductions under Oklahoma law.

The Claim Period means checks or payments dated between and including September 1, 2011, through and including March 31, 2022. If you are unsure whether you are included in the Settlement Class, you may contact the Settlement Administrator at:

Kunneman Properties LLC, et al. v. Marathon Oil Company
c/o JND Legal Administration, Settlement Administrator
P.O. Box 91348
Seattle, WA 98111

Call Toll-Free: 1-877-654-1979

TO OBTAIN THE BENEFITS OF THIS PROPOSED SETTLEMENT, YOU DO NOT HAVE TO DO ANYTHING.

I. General Information About the Litigation

The Litigation seeks damages for Defendant's alleged underpayment of royalty on gas and gas constituents from Oklahoma oil-and-gas wells during the Claim Period. Defendant expressly denies all allegations of wrongdoing or liability with respect to the claims and allegations in the Litigation. The Court has made no final determination with respect to the merits of any of the parties' claims or defenses. A more complete description of the Litigation, its status, and the rulings made in the Litigation are available in the pleadings and other papers maintained by the United States District Court for the Eastern District of Oklahoma in the file for the Litigation.

Questions? Visit www.kunneman-marathon.com or call toll-free at 1-877-654-1979

II. The Settlement, Attorneys' Fees, Litigation Expenses, Case Contribution Award, And The Settlement Allocation And Distribution To The Class

On November 2, 2022, the Court preliminarily approved a Settlement in the Litigation between Plaintiffs, on behalf of themselves and the Settlement Class, and Defendant. This approval and this Notice are not an expression of opinion by the Court as to the merits of any of the claims or defenses asserted by any of the parties to the Litigation, or of whether the Court will ultimately approve the Settlement Agreement.

In settlement of all claims alleged in the Litigation, Defendant has agreed to pay Thirty-Five Million (\$35,000,000.00) in cash ("Gross Settlement Fund"). In exchange for the payment noted above and other consideration outlined in the Settlement Agreement, the Settlement Class shall release the Released Claims (as defined in the Settlement Agreement available for review and download at www.kunneman-marathon.com) against the Released Parties (as defined in the Settlement Agreement). The Settlement Agreement also includes the Future Benefits and Methodology for the Settlement Class, which provides that Defendant will not deduct treating, dehydration, gathering, and compression from royalty payments, and Defendant may deduct the reasonable and actual costs or volumes for field and plant fuel, processing, mainline transportation, and transportation and fractionation of natural gas liquids from royalty payments for a period of ten (10) years after the Claim Period. The \$35,000,000.00 cash payment is referred to as the "Gross Settlement Fund." The Gross Settlement Fund and the Future Benefits and Methodology is referred to as the "Gross Settlement Value." The Gross Settlement Fund, less Plaintiffs' Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, and other costs approved by the Court (the "Net Settlement Fund"), will be distributed to final Class Members pursuant to the terms of the Settlement Agreement.

Class Counsel intends to seek an award of Plaintiffs' Attorneys' Fees of not more than 40% of the Gross Settlement Fund. Co-Lead Class Counsel, Reagan E. Bradford and Ryan K. Wilson of Bradford & Wilson, and Rex A. Sharp of Sharp Law, LLP, have been litigating this case without any payment whatsoever, advancing hundreds of thousands of dollars in expenses for over five years. At the Final Fairness Hearing, Plaintiffs' Counsel will also seek reimbursement of the litigation and administration expenses incurred in connection with the prosecution of this Litigation and that will be incurred through final distribution of the Settlement, which is estimated to be approximately \$600,000.00. In addition, Plaintiffs intend to seek case contribution awards for their representation of the Class, which amount will not exceed 2% of the Gross Settlement Fund, to compensate Plaintiffs for their time, expense, risk, and burden as serving as Class Representatives.

The Court must approve the Allocation Methodology, which describes how the Settlement Administrator will allocate the Net Settlement Fund. The Net Settlement Fund will be distributed by the Settlement Administrator after the Effective Date of the Settlement. The Effective Date requires the exhaustion of any appeals, which may take a year or more after the entry of Judgment. The Settlement may be terminated on several grounds, including if the Court does not approve or materially modifies the terms of the Settlement.

This Notice does not and cannot set out all the terms of the Settlement Agreement, which is available for review at www.kunneman-marathon.com. This website will eventually include this Notice, the Plans of Allocation, and Plaintiffs' Counsel's application for Plaintiffs' Attorneys' Fees and Litigation Expenses and other costs. You may also receive information about the progress of the Settlement by visiting the website at www.kunneman-marathon.com, or by contacting the Settlement Administrator at the address set forth above.

Questions? Visit www.kunneman-marathon.com or call toll-free at 1-877-654-1979

III. Class Settlement Fairness Hearing

The Final Fairness Hearing will be held on February 16, 2023, beginning at 10:00 a.m., before the Honorable Kimberly E. West, U.S. Magistrate Judge for the Eastern District of Oklahoma, 101 North 5th Street, Muskogee, Oklahoma 74401. Please note that the date of the Final Fairness Hearing is subject to change without further notice. You should check www.kunneman-marathon.com to confirm no change to the date and time of the hearing has been made. At the Final Fairness Hearing, the Court will consider: (a) whether the Settlement is fair, reasonable, and adequate; (b) any timely and properly raised objections to the Settlement; (c) the Allocation Methodology; (d) the application for Plaintiffs' Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs; and (e) the application for Case Contribution Awards for the Class Representatives.

A CLASS MEMBER WHO WISHES TO PARTICIPATE IN THE SETTLEMENT AND DOES NOT SUBMIT A VALID REQUEST FOR EXCLUSION DOES NOT NEED TO APPEAR AT THE FINAL FAIRNESS HEARING OR TAKE ANY OTHER ACTION TO PARTICIPATE IN THE SETTLEMENT.

IV. What Are Your Options As A Class Member?

A. You Can Participate in the Class Settlement by Doing Nothing

By taking no action, your interests will be represented by Plaintiffs as the Class Representatives and by Plaintiffs' Counsel. As a Class Member, you will be bound by the outcome of the Settlement, if finally approved by the Court. The Class Representatives and Plaintiffs' Counsel believe that the Settlement is in the best interest of the Class, and, therefore, they intend to support the proposed Settlement at the Final Fairness Hearing. As a Class Member, if you are entitled to a distribution pursuant to the Allocation Methodology, you will receive your portion of the Net Settlement Fund. You will also be bound by the Settlement Agreement and all orders and judgments entered by the Court regarding the Settlement, including the Future Benefits and Methodology. If the Settlement is approved, unless you exclude yourself from the Settlement Class, neither you nor any other Releasing Party will be able to start a lawsuit or arbitration, continue a lawsuit or arbitration, or be part of any other lawsuit against any of the Released Parties based on any of the Released Claims.

B. You May Submit a Request for Exclusion to Opt Out of the Settlement Class

If you do not wish to be a member of the Settlement Class, then you must exclude yourself from the Settlement Class by mailing by certified mail, return receipt requested, a Request for Exclusion to the Settlement Administrator to be received by **January 26, 2023**, at 5 p.m. CT. All Requests for Exclusion must include: (i) the Class Member's name, address, telephone number, and notarized signature; (ii) a statement that the Class Member wishes to be excluded from one or both of the Settlement Class in *Kunneman Properties LLC v. Marathon Oil Company*; and (iii) a description of the Class Member's interest in any wells for which it has received payments from Defendant, including the name, well number, county in which the well is located, and the owner identification number. Requests for Exclusion must be served on the Settlement Administrator, Defendant's Counsel, and Plaintiffs' Counsel by certified mail, return receipt requested and received no later than 5 p.m. CT on **January 26, 2023**. Requests for Exclusion may be mailed as follows:

Settlement Administrator:	Co-Lead Class Counsel:	Defendant's Counsel:
Kunneman Properties LLC v. Marathon Oil Company Settlement c/o JND Class Action Administration, Settlement Administrator P.O. Box 91348 Seattle, WA 98111	Reagan E. Bradford Ryan K. Wilson Bradford & Wilson PLLC 431 W. Main Street, Suite D Oklahoma City, OK 73102	Timothy J. Bomhoff Patrick L. Stein McAfee & Taft A Professional Corporation 10th Floor, Two Leadership Square 211 North Robinson Oklahoma City, OK 73102-7103

If you do not follow these procedures—including mailing the Request for Exclusion so that it is received by the deadline set out above—you will not be excluded from the Settlement Class, and you will be bound by all of the orders and judgments entered by the Court regarding the Settlement, including the release of claims and Future Benefits and Methodology. You must exclude yourself even if you already have a pending case against any of the Released Parties based upon any Released Claims during the Claim Period. You cannot exclude yourself on the website, by telephone, facsimile, or by e-mail. If you validly request exclusion as described above, you will not receive any distribution from the Net Settlement Fund, you cannot object to the Settlement, and you will not have released any claim against the Released Parties. You will not be legally bound by anything that happens in the Litigation.

C. You May Remain a Member of the Settlement Class, but Object to the Settlement, Allocation Methodology, Plan of Allocation, Plaintiffs' Attorneys' Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, or Case Contribution Awards

Any Class Member who wishes to object to the fairness, reasonableness, or adequacy of the Settlement, any term of the Settlement, the Allocation Methodology, the Plan of Allocation, the request for Plaintiffs' Attorneys' Fees and Litigation Expenses and Administration, Notice, and Distribution Costs, or the request for Case Contribution Awards to Class Representatives may file an objection. An objector must file with the Court and serve upon Class Counsel and Defendant's Counsel a written objection containing the following: (a) a heading referring to *Kunneman Properties LLC, et al. v. Marathon Oil Company*, Case No. 22-CV-274-KEW, United States District Court for the Eastern District of Oklahoma; (b) a statement as to whether the objector intends to appear at the Final Fairness Hearing, either in person or through counsel, and, if through counsel, counsel must be identified by name, address, and telephone number; (c) a detailed statement of the specific legal and factual basis for each and every objection; (d) a list of any witnesses the objector may call at the Final Fairness Hearing, together with a brief summary of each witness's expected testimony (to the extent the objector desires to offer expert testimony and/or an expert report, any such evidence must fully comply with the Federal Rules of Civil Procedure, Federal Rules of Evidence, and the Local Rules of the Court); (e) a list of and copies of any exhibits the objector may seek to use at the Final Fairness Hearing; (f) a list of any legal authority the objector may present at the Final Fairness Hearing; (g) the objector's name, current address, current telephone number, and all owner identification numbers with Defendant; (h) the objector's signature executed before a Notary Public; (i) identification of the objector's interest in wells for which Defendant remitted oil and gas proceeds (by well name, payee well number, and county in which the well is located) during the Claim Period and identification of any payments by date of payment, date of production, and

amount; and (j) if the objector is objecting to any portion of the Plaintiffs' Attorneys' Fees or Litigation Expenses and Administration, Notice, and Distribution Costs, or Case Contribution Awards sought by Class Representatives or Class Counsel on the basis that the amounts requested are unreasonably high, the objector must specifically state the portion of such requests he/she/it believes is fair and reasonable and the portion that is not. Such written objections must be filed with the Court and served on Plaintiffs' Counsel and Defendant's Counsel, via certified mail return receipt requested, and received no later than 5 p.m. CT on **January 26, 2023**, at the addresses set forth above. Any Class Member that fails to timely file the written objection statement and provide the required information will not be permitted to present any objections at the Final Fairness Hearing. Your written objection must be timely filed with the Court at the address below:

Clerk of the Court
United States District Court for the Eastern District of Oklahoma
101 North 5th Street
Muskogee, OK 74401

UNLESS OTHERWISE ORDERED BY THE COURT, ANY SETTLEMENT CLASS MEMBER WHO DOES NOT OBJECT IN THE MANNER DESCRIBED HEREIN WILL BE DEEMED TO HAVE WAIVED ANY OBJECTION AND SHALL BE FOREVER FORECLOSED FROM MAKING ANY OBJECTION TO THE SETTLEMENT (OR ANY PART THEREOF) AND WILL NOT BE ALLOWED TO PRESENT ANY OBJECTIONS AT THE FINAL FAIRNESS HEARING.

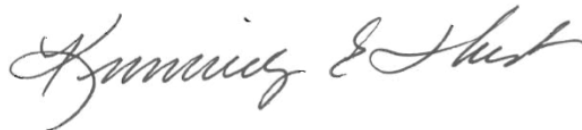

D. You May Retain Your Own Attorney to Represent You at the Final Fairness Hearing

You have the right to retain your own attorney to represent you at the Final Fairness Hearing. If you retain separate counsel, you will be responsible to pay his or her fees and expenses out of your own pocket.

V. Availability of Filed Papers And More Information

This Notice summarizes the Settlement Agreement, which sets out all of its terms. You may obtain a copy of the Settlement Agreement with its exhibits, as well as other relevant documents, from the settlement website for free at www.kunneman-marathon.com, or you may request copies by contacting the Settlement Administrator as set forth above. In addition, the pleadings and other papers filed in this Action, including the Settlement Agreement, are available for inspection in at the Office of the Clerk of the Court, set forth above, and may be obtained by the Clerk's office directly. The records are also available on-line for a fee through the PACER service at www.pacer.gov/. If you have any questions about this Notice, you may consult an attorney of your own choosing at your own expense or Class Counsel.

PLEASE DO NOT CONTACT THE JUDGE OR THE COURT CLERK ASKING FOR INFORMATION REGARDING THIS NOTICE.

v.

Marathon Oil Company,

Defendant.

Case No. 22-CV-274-KEW

DECLARATION OF BARBARA A. LEY

I, Barbara A. Ley, of lawful age, upon personal knowledge, and pursuant to 28 U.S.C. § 1746, declare as follows:

1. I am a Certified Public Accountant licensed to practice in Oklahoma and Texas. I have also earned the credentials of “Certified Information Technology Professional” (CITP) and “Certified in Financial Forensics” (CFF), awarded by the American Institute of Certified Public Accountants. I have over 40 years of public accounting experience and am experienced in petroleum and forensic accounting. I have been employed as an expert witness in numerous cases involving late payment of production proceeds to Owners. I am the managing member and President of Ley, Gifford & Farr, PLLC, an Oklahoma City based accounting and consulting firm. The firm, originated in 1989, specializes in oil and gas related matters in addition to other areas of practice. The firm is compensated for my time in this matter at an hourly rate of \$415. My curriculum vitae and testimony rendered within the last four years is attached hereto as Ley Exhibit 1.

2. Class Counsel¹ asked me to assist in allocating and distributing the Net Settlement Fund to Class Members pursuant to the Settlement Agreement.

3. The Settlement Class consists of thousands of persons who own or owned minerals in the State of Oklahoma subject to an oil-and-gas lease from September 1, 2011, through and including March 31, 2022, under which (1) they received royalty on the sale and disposition of gas from Marathon from Oklahoma oil-and-gas wells; and (2) their royalty payments were reduced for production volumes or production proceeds expended for marketing, gathering, compressing, dehydrating, treating, processing, transporting and fractionating natural gas liquids, or transporting of hydrocarbons produced from the unit, subject to various excluded parties.

4. Class Representatives allege that Marathon failed to properly pay royalty to the Settlement Class and took various deductions from the Class Members' royalty payments.

5. The Gross Settlement Fund in this case is \$35,000,000.

6. In addition, Marathon agreed to the following Future Benefits and Methodology:

Defendant and the Settlement Class agree to the following methodology for future royalty payments: Defendant will not deduct treating, dehydration, gathering, and compression from royalty payments to Class Members, and Defendant may deduct the reasonable and actual costs or volumes for field and plant fuel, processing, mainline transportation, and transportation and fractionation of natural gas liquids from royalty payments (the "Future Methodology"). The Future Methodology will be in place for a period of ten (10) years following the Claim Period. Settlement Class Members are bound by the Future Methodology and cannot assert claims against Defendant for deducting field and plant fuel, processing, mainline transportation, or transportation and fractionation of natural gas liquids from royalty payments during this ten (10) year period. Defendant shall have a period of twelve (12) months from the execution of this Agreement to implement the Future Methodology; provided, however, that within said twelve-month period Defendant will implement reverse and rebooks to refund any treating, dehydration, gathering,

¹ Capitalized terms not otherwise defined shall have the meaning ascribed to them in the Settlement Agreement.

and compression deductions from the Settlement Class for payments already made in the ten (10) year Future Methodology period. The Future Methodology will be binding on the Parties' and the Settlement Class's successors and assigns.

7. Assuming continuance of royalty payments by Marathon and utilizing identifiable historic post-production deductions related to treating, dehydration, gathering, and compression ("TDCG") in Marathon's accounting records, the calculated estimated present value of these deductions Marathon has agreed to forgo for the ten-year period is at least \$25 million. My estimate was based on Marathon's continuance of the Claim Period historic TDCG deductions as identified in the pay detail from Class Members on Oklahoma oil and/or gas wells. An eight percent discount rate was utilized in the present value calculation. The total value of the Settlement is comprised of the cash settlement amount (\$35,000,000) plus the estimated present value of future benefits, as described above (\$25,000,000). The total value of the Settlement, based on my review and calculation of estimated deductions Marathon has agreed not to take, is approximately \$60,000,000.

8. The information utilized to allocate the Net Settlement Fund and to prepare Ley Exhibit 2, the Estimated Net Settlement Amount to Class Members, was provided by Marathon and, it is my understanding, contained all of Marathon's available payment data for the entire Claim Period. As noted in paragraph 10 below, the amounts on Ley Exhibit 2 may change once the final fees and expenses awarded by the Court are known, after all excluded parties and opt outs are known and any other necessary adjustments are made.

9. After the Settlement was reached, I was able to prepare Ley Exhibit 2 and allocate the estimated Net Settlement Fund to individual Class Members proportionately based primarily on the extent of specific post-production deductions reflected in Marathon's payment detail for the Claim Period. Subject to court approval, section 6.2 of the Settlement

Agreement sets forth a de minimis threshold for distributions of \$5.00 in order to preserve the overall Net Settlement Fund from the costs of claims that are likely to exceed the value of those claims. Accordingly, subject to Court approval, Class Members who would otherwise receive a distribution of less than \$5.00 are included on Ley Exhibit 2 and marked as “de minimis” and will not receive a settlement distribution.

10. Utilizing the information and methodology described above, I was able to allocate a calculated proportionate share of the estimated Net Settlement Fund to each Class Member. Subject to Court approval, I plan to exclude the amounts awarded for Plaintiffs’ Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Awards, and include any interest earned while the Settlement Fund is in escrow. The deductions detailed in the Notice total \$15,300,000, which falls into the following categories: (1) \$14,000,000 to Class Counsel as Plaintiffs’ Attorneys’ Fees; (2) \$600,000 for reimbursement of Litigation Expenses and Administration, Notice, and Distribution Costs; and (3) a total of \$700,000 to Class Representatives as Case Contribution Awards.²

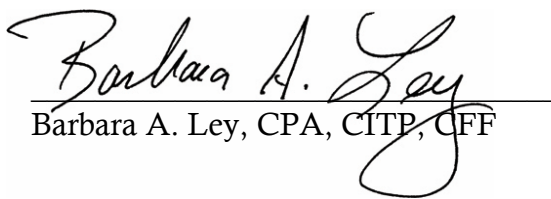

11. The Estimated Net Settlement Amount to Class Members is attached hereto as Ley Exhibit 2 and lists the estimated amounts, based on the currently available information to be distributed to such Class Members, with consideration of the de minimis threshold. Because Ley Exhibit 2 will be publicly filed, and it is my understanding that it will also be made available on the Class litigation website, personal identifying information (such as

² The allocation will be adjusted to accommodate the amount of Plaintiffs’ Attorneys’ Fees, Litigation Expenses, Administration, Notice, and Distribution Costs, and Case Contribution Awards approved by the Court. The estimated Net Settlement Fund does not yet take into account those persons who have or will opt out of the Settlement. Once the necessary information has been received and reviewed, the Initial Plan of Allocation will be adjusted accordingly, prior to the Final Plan of Allocation.

names and addresses of Class Members) is not included. Instead, Class Members will be listed according to their unique owner numbers and can determine their anticipated estimated distribution from the Initial Plan of Allocation by reviewing Ley Exhibit 2 for their owner numbers (found on their check stubs). Class Members below the de minimis threshold will not receive an estimated Net Settlement Amount and are indicated on Ley Exhibit 2 with the “Estimated Net Settlement to Class Members” of “de minimis.” It will be a simple matter for me to re-run the allocations once the final fees and expenses have been awarded and after all excluded parties and opt outs are known.

12. Ley Exhibit 2 was constructed using a straightforward and logical Allocation Methodology as described in Section 6.2 of the Settlement Agreement. Similar Allocation Methodology has been used in previous royalty deduction class action settlements as fair, adequate, reasonable, and in the best interest of the Settlement Class.

Executed on: January 19, 2023.

Barbara A. Ley, CPA, CITP, CFF

Ley Exhibit 1

Barbara A. Ley, CPA, CITP, CFF

Office Address: 1601 NW Expressway, Ste 1800
Oklahoma City, Oklahoma 73118

Education: Perry High School – 1973 Graduate
Ranked #1 in Graduating Class

Oklahoma State University – Bachelor of
Science in Accounting – December 1976
Phi Kappa Phi – GPA 3.9/4.0

Continuing Professional Education –
24 to 120 Hours each year from 1977 through present

Profession: Certified Public Accountant, holding permits to
practice in Oklahoma and Texas

Professional and Business History:

January 1989 – Present

Managing Member & President – Ley, Gifford & Farr, PLLC and
Barbara A. Ley, A Professional Corporation

A full service accounting firm with 16 employees

- Accounting, Tax and Management Consulting services
for businesses, individuals, trusts and estates.

Services provided include:

- Consultation, litigation support and forensic accounting
relating to:
 - fraud allegations
 - damage calculations
 - oil and gas joint interest billings
 - oil and gas royalty owner issues
 - divorce proceedings
 - bankruptcy and insolvency issues
 - financial statement analysis
 - purchase and sale of business interests
 - insurance claims
 - class action litigation
 - class action certifications
- Auditing procedures
 - financial audits
 - agreed upon procedures

Ley Exhibit 1

January 1989 – Present (continued)

- Court appointed accountant for various Chapter 7 & 11 bankruptcy cases.
- Court appointed accountant for receivership
- Tax planning and preparation for a wide variety of individuals, closely held businesses, trusts and estates and non-profit organizations.
- Clients include royalty owners, working interest owners, oil and gas operators and oil and gas service companies

November 1986 – December 1988

Partner – Ley & Bartley, Certified Public Accountants

- Accounting, tax and consulting services were provided to individuals, financial institutions, businesses, trusts and estates.
- Performed agreed upon procedures on behalf of oil and gas operators and oil and gas service companies.

July 1983 – November 1986

President – Snipes & Ley, A Professional Corporation

- Provided accounting and tax services to a variety of individuals, financial institutions, businesses, trusts and estates.
- Clients included publicly held pipe and supply company, drilling funds and oil companies involved in drilling and operations, royalty owners and working interest owners.

January 1977 – July 1983

Peat Marwick, Mitchell & Co., Certified Public Accountants

- Senior Tax Manager (1983)
- Scheduling coordinator for tax department (1980-1982). Responsible for scheduling of staff of 20 professionals
- Continuing Professional Education Director (1979-1982). Responsible for education of tax department of 35 professionals. Instructor of various professional education courses
- Tax Manager (1981)
- Tax and Audit Senior (1978)
- Audit Staff (1977-1978)
- Clients included publicly traded oil companies and financial institutions, publicly traded supply companies, numerous drilling funds, oil and gas equipment partnerships, drilling rig operators, private oil and gas companies and wealthy individuals.
